FORM SMI 14 (Rev. 6/29/13)

# TRAINEE'S STATEMENT OF PRIOR RADAR TRAINING

# INFORMATION SMI OPERATOR CERTIFICATION REQUIREMENTS

12 NCAC 9B.0409(a) requires a trainee to demonstrate:

• successful completion of a Commission-accredited operators course;

## AND

• 100 percent proficiency in motor skill and performance subject areas;

### AND

• completion of 16 hours of supervised field practice within 90 days of course completion.

Documentation of prior North Carolina SMI Operators certification **OR** evidence from another state showing prior certification which meets or exceeds that of North Carolina may be substituted for the field practice requirement. However, if the prior certification was for stationary only instruments and certification is sought for instruments with moving capabilities, the trainee must complete eight (8) hours of practice in moving configurations. If the prior certification was for moving instruments and certification is sought for instruments with same direction mode, the trainee must complete four (4) hours of practice in same direction mode.

The SMI 15 form entitled **RADAR OPERATOR FIELD INSTRUCTION/PRACTICE LOG** will be utilized to document this practice/training prior to issuance of an operator's certificate.
