Community Involvement

Please list extra-curricular activities in which you have participated in or any awards received while in high school. These may include, but are not limited to, clubs, organizations, athletics, band, etc. Please be as specific as possible. For example, list JV and Varsity soccer as separate activities instead of simply listing soccer. Please do not list acronyms for groups or organizations. For example, please write Fellowship of Christian Athletes, instead of simply listing "FCA."

When considering volunteer activities please follow these rules:

- 1) Single day volunteer activities should not be included, as no score will be given for these activities. For example, do not list Relay for Life if your involvement was limited to walking on the night of the event.
- 2) Do not include volunteer activities that you completed as a member of an organization or club you listed as an activity. For example, do not list a canned food drive that you completed as a Key Club member.
- 3) Only include volunteer activities in which you participate regularly.
- 4) Include the organization or group with whom you completed the activity. For example, please write tutoring elementary students at Green Acres School, instead of simply listing "tutoring."
- 5) If you assumed a leadership role within the volunteer activity, please be sure to include it.

Please indicate the number of years you have participated in the activity listed and any leadership roles you may have held. Please do not list employment. The next section will cover the topic.
