As directed by President’s Executive Order 13929, dated June 16, 2020, the above agency confirms that:

(i) The agency’s use-of-force policies adhere to all applicable Federal, State, and local laws; and
(ii) The agency’s use-of-force policies prohibit the use of chokeholds – physical maneuver that restricts an individual’s ability to breathe for the purposes of incapacitation – except in those situations where the use of deadly force is allowed by law.

I have reviewed the Presidential Executive Order on Safe Policing for Safe Communities, dated June 16, 2020, Executive Order No. 13929. I understand that, based on the Executive Order on Safe Policing, the U.S. Department of Justice’s discretionary grant funding is only available to state, local, and university or college law enforcement agencies that have obtained (or are in the process of seeking) credentials certifying that they meet certain standards on use of force. I further understand that the Executive Order on Safe Policing empowers the U.S. Attorney General to designate independent credentialing bodies — such as the North Carolina Law Enforcement Accreditation Program — to certify that a law enforcement agency meets the conditions of eligibility for federal grants. I have attached all applicable agency policies.
