TUESDAY’S MEETING AGENDA

I. 20-30 minutes – Sec. Hooks will explain the above process and field questions or comments on the process from the Working Group.

II. 45 minutes – Sec. Hooks leads discussion on use of force (Sec. Hooks will start at process point #2 because #1 has already happened).
   - Requiring law enforcement agencies to collect uniform data on uses of force and submit the data to a state or federal repository
   - Encouraging or requiring agencies to conduct “sentinel event reviews” when deadly force is used
   - Encouraging or requiring officers to issue a warning, when feasible, before using deadly force
   - Any other proposals the group would like to discuss

III. 45 minutes – Sec. Hooks leads discussion on SROs (Sec. Hooks will start at process point #2 because #1 has already happened).
   - Support the continued development of/mandate for School Justice Partnerships
   - Collect and publish online uniform data on school discipline and school-based juvenile court referrals, including information about SRO involvement and information by age, race, and school (within the confines of confidentiality requirements)
   - Enhance training for SROs, generally in line with recommendations expected to be forthcoming from the Task Force on School Safety
   - Enhance training for school personnel about the proper role of SROs
   - Support efforts to address behavior issues before they rise to the level of SRO involvement, including by adding school counselors, social workers, and/or psychologists
   - Any other proposals the group would like to discuss
