

TUESDAY'S MEETING AGENDA

- I. 20-30 minutes – Sec. Hooks will explain the above process and field questions or comments on the process from the Working Group.
- II. 45 minutes – Sec. Hooks leads discussion on use of force (Sec. Hooks will start at process point #2 because #1 has already happened).
 - *Requiring law enforcement agencies to collect uniform data on uses of force and submit the data to a state or federal repository*
 - *Encouraging or requiring agencies to conduct “sentinel event reviews” when deadly force is used*
 - *Encouraging or requiring officers to issue a warning, when feasible, before using deadly force*
 - *Any other proposals the group would like to discuss*
- III. 45 minutes – Sec. Hooks leads discussion on SROs (Sec. Hooks will start at process point #2 because #1 has already happened).
 - *Support the continued development of/mandate for School Justice Partnerships*
 - *Collect and publish online uniform data on school discipline and school-based juvenile court referrals, including information about SRO involvement and information by age, race, and school (within the confines of confidentiality requirements)*
 - *Enhance training for SROs, generally in line with recommendations expected to be forthcoming from the Task Force on School Safety*
 - *Enhance training for school personnel about the proper role of SROs*
 - *Support efforts to address behavior issues before they rise to the level of SRO involvement, including by adding school counselors, social workers, and/or psychologists*
 - *Any other proposals the group would like to discuss*
