Re: Notice of Transfer of Assets of New Hanover Regional Medical Center

Dear Mr. Thomas:

The Board of Commissioners of New Hanover County ("County") and the Board of Trustees of New Hanover Regional Medical Center, a North Carolina nonprofit corporation ("NHRMC"), have each, respectively, adopted a resolution to transfer, on behalf, and at the direction of the County, substantially all of the assets used in connection with NHRMC's operation of its hospitals and associated clinics and physician practices to Novant Health New Hanover Regional Medical Center, LLC, a North Carolina limited liability company and subsidiary of Novant Health, Inc., a North Carolina nonprofit corporation (the "Transaction").

As has been noted in prior correspondence with your office on these matters, the County maintains legal or beneficial ownership interest in all of the assets covered by, and to be conveyed and transferred pursuant to, the Transaction. Consistent with NHRMC's efforts to keep your office fully informed regarding this Transaction, though, NHRMC hereby gives the North Carolina Attorney General written notice prior to the disposition of substantially all of its assets in connection with this Transaction under N.C. Gen. Stat. § 55A-12-02(g), as applicable.

Enclosed please find the Notice of Transfer of Assets by Charitable Corporation associated with the Transaction.

Thank you for your consideration. Please let me know if you have any questions regarding this matter.

Sincerely,

Pursuant to N.C. Gen. Stat. §§ 55A-11-02 and 55A-12-02, the charitable or religious corporation listed below hereby gives notice to the North Carolina Attorney General of its intent to merge or transfer a majority of its assets.

1. Name of the charitable or religious corporation:

Name: New Hanover Regional Medical Center ("NHRMC")

Address: 2131 S. 17th Street, Wilmington, North Carolina 28401

Telephone: (910) 667-7040

Title: President and CEO

3. Type of transaction.

The Transaction involves New Hanover County ("County") and NHRMC, on behalf of the County, and at the County's direction, selling to Buyer, substantially all of the assets of the County and NHRMC related to the business of delivering acute care services to the public at hospitals and through physician practices, urgent care centers, imaging centers, ambulatory surgical facilities, medical office buildings, and other ancillary businesses (collectively, the "Healthcare Businesses"). The Transaction will also include the termination of the lease agreement pursuant to which the County currently leases to NHRMC all of the facilities and other assets used by NHRMC in conjunction with the operation of the Healthcare Businesses on behalf of the County (the "Lease"). As set forth in the Lease, the County has legal title and ownership, or beneficial ownership, to all of the assets held by NHRMC and used in conjunction with the operation of the Healthcare Businesses.

4. Please describe the reason for the transaction.

The parties desire to enter into the Transaction in order to expand and improve the healthcare available to residents in the North Carolina coastal region. Without the Transaction, NHRMC would not have access to

the resources and capital this Transaction will provide to meet the increasing healthcare needs of residents in the coastal region, which is the fastest growing region in the state. By partnering with Novant Health, which has strong track record of significantly improving and expanding care at acquired hospitals, NHRMC will be able to: increase access to care; expand and develop new services and programs, including opening new facilities; relieve significant capacity, growth, and funding constraints at NHRMC; increase charity care and health-equity initiatives at NHRMC; achieve clinical quality improvement and cost savings; and expand the medical education and clinical programs offered at NHRMC in conjunction with UNC Health and UNC School of Medicine, which will help to retain, recruit, and develop medical talent in the region.

The Transaction will result in substantial service commitments to, and financial investments in, NHRMC's current strategic plan and all of its related goals and objectives, including Improving Access to Care and Wellness, Advancing the Value of Care, Promoting Health Equity, Supporting and Maintaining Staff, Partnering with Providers, Driving Quality of Care, Growing the Level & Scope of Care, and Strategic Positioning as a Novant Health system hub in the region. These services commitments and investments will secure the future of the existing hospital, medical facilities, and healthcare and wellness services, and ensure that NHRMC is able to meet the increasing medical needs of the rapidly growing southeastern North Carolina coastal regional while controlling the cost of care, all as further delineated in the Asset Purchase Agreement ("Purchase Agreement"), attached hereto as Attachment A.

5. Identity of each person serving as an officer or director of the charitable or religious corporation merging or transferring assets.

The officers and directors of NHRMC are listed in Attachment B attached hereto.

6. Identify any benefit a person identified in Response 5 may receive from the transaction. For each person identified in response to 5, above, describe all agreements and discussions concerning any role that such person would play, following the merger or transfer of assets, with respect either to the entity acquiring the assets, any person affiliated therewith, or the assets received by the disposing entity. Provide a copy of all documents relating to such agreements or discussions. If any person identified in number 5 has a business or personal relationship with an officer or board member of the entity identified in number 2, provide full details.

No person identified in Number 5 will personally benefit from this Transaction and there are no agreements providing for any such benefit. It is anticipated, however, that certain of NHRMC's current directors will continue to serve as directors, on behalf of Buyer, following the transfer. See Exhibit E and Schedule 5.20(b) to the Purchase Agreement. In addition, it is anticipated that NHRMC's officers will continue to serve in their respective roles, on behalf of Buyer, following the transfer.

7. Assets subject to the merger or being transferred. Provide a general description, including the value of the assets. Enclose any documentation supporting the valuation.

The County, and NRHMC on behalf of the County, will transfer, or cause to be transferred, substantially all of their respective assets related to the operation of the Healthcare Businesses, including, but not limited to, owned real property; leasehold rights to leased real property; personal property, including medical equipment, furniture, fixtures, machinery, vehicles, office furnishings, and computer hardware; provider numbers and agreements; permits and licenses; operating contracts; employment agreements; inventory; receivables; intellectual property; bank accounts; and NHRMC's right to appoint the board of directors of New Hanover Regional Medical Center Foundation, Inc., all as further set forth in the Purchase Agreement.

The upfront consideration to be paid by Buyer in connection with the Transaction (\$1.5 billion) equals or exceeds the valuation of the Healthcare Businesses performed by Ponder & Co., financial advisors to the County and NHRMC. Attached as <u>Attachment C</u> is an executive summary of the valuation performed by Ponder & Co. In addition to the upfront consideration, Buyer is also committing \$3.1 billion in capital expenditures on behalf and in support of the Healthcare Businesses.

8. Describe the plan of the charitable or religious corporation merging or transferring its assets for any remaining assets and/or for the consideration being received from the acquiring entity. Will the charitable or religious corporation continue operations after the proposed merger or transfer? If yes, please give a general description of the proposed activities.

The County will use the net proceeds received in connection with the Transaction for the benefit of the residents of the County. The County will use, invest, direct, grant and manage the net proceeds of the Transaction exclusively for public benefit purposes, including \$200 Million contributed to a NHRMC Transition Stabilization Escrow, \$50 Million contributed to a County-managed Mental and Behavioral Health Fund, and \$300 Million set aside for a County Revenue Stabilization Fund. Additionally, the County will grant an estimated \$1.25 billion to a separate, newly created non-profit community-based endowment (the "Endowment"). A further description of the general use of net proceeds from the Transaction is attached to the Purchase Agreement as Exhibit C. The \$3.1 billion capital-expenditure commitment will ensure that NHRMC will continue its mission and expand its ability to meet the healthcare needs of the community.

9. Describe the terms of the proposed merger or transfer (including price, management agreements, leases, contracts, employment arrangements, and any other agreements.) Provide copies of all transaction documents. Include all board minutes, consents, and resolutions discussing or approving the proposed transaction.

The County will transfer, and NHRMC will transfer on behalf and at the direction of the County, assets associated with the Healthcare Businesses to Buyer. In return, the sellers will receive \$1.5 billion in cash, subject to customary post-closing adjustments for closing liabilities, Transaction expenses, indebtedness, and net working capital. NHRMC will also retain its cash balance at closing, the net balance of which will accrue to the benefit of the County. Further, contemporaneous with the closing of the Transaction, the Lease will terminate and, in conjunction with such termination and pursuant to the terms of the Lease, all remaining assets of NHRMC, if any, will accrue to the County. Buyer also commits to funding \$600 million in routine capital expenditures on behalf of the Healthcare Businesses over the initial 10-year period following Closing, as well as \$2.5 billion to fund strategic capital needs in the region associated with the Healthcare Businesses. The parties also intend to convey and assign NHRMC's employment agreements, owned real property, real estate leases, and operating contracts to Buyer. The NHRMC Board of Trustees resolution is attached as Attachment D, and the corresponding County Board of Commissioners resolution approving the Transaction is attached as Attachment D, and the corresponding County Board of Commissioners resolution approving the Transaction is attached as Attachment D, and the corresponding County Board of Commissioners resolution approving the Transaction is attached as Attachment D, and the corresponding County Board of Commissioners resolution approving the Transaction is attached as Attachment D, and the corresponding County Board of Commissioners resolution approving the Transaction is attached as <a href="https://example.com/Attachment

Note: This request should not be interpreted as a request for any materials protected by the attorney-client privilege.

The County and NHRMC were well-supported by a deep bench of advisors with significant and pertinent experience in the types of matters involved in the Transaction.

In addition, both NHRMC and the County were advised by experienced in-house legal, strategic, and financial advisors. NHRMC was advised by a team lead by Ed Ollie, Chief Financial Officer; Lynn Gordon, Chief Legal Officer and General Counsel; and Kristy Hubard, Chief Strategy Officer. The County was advised by a team lead by Chris Coudriet, County Manager; Wanda Copley, County Attorney; and Lisa Wurtzbacher, Chief Financial Officer.

11. If the organization is planning to dissolve after this transfer, list any and all current debts. Include the name of the debtor and the amount owed to each. Explain how those debts will be resolved.

It is anticipated that NHRMC will continue in existence for a period of time following the Transaction as necessary to address and facilitate post-closing matters, following which it is expected that NHRMC will be dissolved, with all remaining assets, if any, accruing to the County.

12. Provide any other information or documents that will enable the Attorney General to conduct a complete review of the proposed transaction.

The County and NHRMC undertook the Transaction in accordance with the provisions of N.C. Gen. Stat. § 131E-13. Given the significance of this matter, the County and NHRMC went above and beyond this statutory process, with the formation of the Partnership Advisory Group ("PAG"), and notice periods and deliverables far exceeding statutory requirements. The New Hanover County Board of Commissioners and NHRMC Board of Trustees ("BOT") appointed 21 members to the PAG, including: nine community members reflective of the community's diversity of individuals and interests; five members of the BOT; five physicians as selected by the Physician Advisory Committee; and the NHRMC Chief Executive Officer and the County Manager, to explore the best way to improve the region's access to high-quality healthcare. The PAG Charter is attached hereto as Attachment F.

The PAG developed a comprehensive RFP and received six detailed proposals from health care organizations, all of which were well vetted by the PAG with analyses and input from financial, legal and strategic advisors to NHRMC and the County. After comprehensively evaluating each of the proposals, together with the evaluation of NHRMC continuing status quo, the PAG recommended, and the BOT endorsed, entering into this Transaction with Novant Health. Based on that recommendation, the Board of Commissioners of the County adopted a resolution to enter, and NHRMC and the County did enter, into a letter of intent ("LOI") with Novant Health, attached as Attachment G.

Following execution of the LOI, NHRMC, the County, and Novant Health engaged in further, extensive due diligence and negotiated a draft Purchase Agreement consistent with the terms of the LOI. After further review and negotiation, the BOT passed a resolution adopting the Purchase Agreement, and upon the recommendation of the BOT and PAG, the County Board of Commissioners voted to approve the Purchase Agreement at its regular meeting on October 5, 2020.

Significant public input was gathered during a series of open hearings held at key stages of the Transaction in accordance with the provisions N.C. Gen. Stat. § 131E-13. The public was invited to comment on the Board of Commissioners' resolution to initiate the RFP process on October 15, 2019, consistent with N.C. Gen. Stat. § 131E-13(d)(3). The BOT and County Commissioners' decision to narrow the RFP respondents was subject to public comment on June 22, 2020, as required by N.C. Gen. Stat. § 131E-13(d)(5)-(6). Additionally, the Purchase Agreement was published for public viewing in advance of the final public hearing related to the provisions of the Purchase Agreement on September 28, 2020. Each of these meetings was publicly noticed, and relevant materials were made publicly available, in accordance with applicable law.

In addition, the PAG conducted all of its meetings in accordance with the North Carolina Open Meetings Law, providing as much transparency to the process as was possible. Materials associated with the PAG's process, evaluation and consideration, including source documents and supplemental material, have also been made available to the public in the interest of transparency, and can be accessed at: www.nhrmcfuture.org.

13. Production of documentary materials. Provide copies of all pertinent materials that document the transaction and related transactions. These include, but are not limited to, copies of the following, as appropriate: contracts of sale, asset purchase agreements, affiliation agreements, memoranda of understanding, covenants, collateral agreements; documents evidencing plans and structure of reorganization, including collateral, subsidiary, or related entities, mission of restructured entities including collateral, subsidiary, or related entities; corporate governance documents, including articles of incorporation, and bylaws; any requests for proposals, minutes of meetings, reports of experts, alternatives considered, records of public hearings, or other evidence of due diligence; any

valuations, fairness opinions, commitments such as Certificate of Need assurances, Medicare/Medicaid reimbursement agreements, charitable trust provisions; documents evidencing disclosure of any conflicts of interests, contingencies, perquisites to existing board members or negotiators, promised compensation or employment contracts to existing board members or executive staff of the charitable or religious corporation, other documentation of arms' length or unrelated-party transactions; documents that describe or concern the service area(s) of the entity disposing of assets, including, but not limited to, any documents that depict the various geographic areas served by the charitable or religious corporation merging or transferring assets and documents depicting the areas to be served after the merger or transfer of assets; and such other materials and documents as requested.

Many of the requested documents are attached to the Purchase Agreement, which is attached hereto as <u>Attachment A</u>. Specifically, please refer to the following Exhibits to the Purchase Agreement:

Exhibit C Use of Net Proceeds

RECITALS:

WHEREAS, NHRMC engages in the business of delivering acute care services to the public (i) at facilities set forth on <u>Schedule 1.1</u> (each, a "**Hospital**" and, collectively, the "**Hospitals**") and (ii) also through those physician practices, urgent care centers, imaging centers, ambulatory surgical facilities, medical office buildings and other ancillary businesses that are used or held for use as part of, or in conjunction with or in support of, the operations of the Hospitals and which are set forth on <u>Schedule 1.2</u> (the "**Other Businesses**") (the Hospitals and the Other Businesses are referred to in this Agreement, collectively, as the "**Healthcare Businesses**");

WHEREAS, the County owns the Hospitals and other assets used in conjunction with the operation of the Healthcare Businesses, and leases them to NHRMC to operate the Healthcare Businesses as a healthcare system; and

WHEREAS, NHRMC is governed by a Board of Trustees appointed by the County ("NHRMC Board");

WHEREAS, discussions regarding certain industry trends, challenges, opportunities, and related matters as to the best course forward for the Healthcare Businesses led to the County Commissioners of New Hanover County ("County Commissioners") passing a resolution in September 2019 to move forward in exploring potential future options for NHRMC through a request for proposals process ("RFP") in accordance with North Carolina Law, and to the NHRMC Board passing a corresponding resolution endorsing and joining such County exploration in that same month;

WHEREAS, on March 16, 2020, six health care organizations, including Novant Health ("**Respondents**"), responded to the comprehensive RFP with a variety of proposals, all of which were well vetted by the Partnership Advisory Group ("**PAG**"), a joint subcommittee of the County Commissioners and NHRMC Board, with analyses and input from financial, legal, and strategic advisors;

WHEREAS, in accordance with North Carolina Law, a public hearing was held on June 22, 2020, regarding the proposals received in response to the RFP;

WHEREAS, in conjunction with the PAG's evaluation of the proposals, the corresponding due diligence and discussions with the finalists, the PAG recommended the NHRMC Board and County Commissioners approve and authorize the execution of a nonbinding letter of intent with Novant Health ("LOI"), and the NHRMC Board and County Commissioners, each having reviewed all of the work of the PAG and the proposals, and having considered the best interests of the County and the community, concurred with such recommendations;

WHEREAS, on July 7, 2020, the NHRMC Board adopted a resolution to enter into the LOI with Novant Health;

WHEREAS, on July 13, 2020, the County Commissioners adopted a resolution to enter into the LOI with Novant Health;

WHEREAS, Sellers and Buyer entered into such LOI on July 13, 2020;

WHEREAS, Novant Health, through Buyer, an Affiliate of Novant Health, desires to acquire from Sellers, and Sellers desire to sell to Buyer, substantially all of the assets used with respect to the operation of the Healthcare Businesses, in exchange for the consideration and upon the terms and conditions set forth in this Agreement; and

WHEREAS, the County Commissioners will use, invest, direct and manage the proceeds of the Transactions exclusively for public benefit purposes; and

WHEREAS, Novant Health is a party to this Agreement for purposes of guaranteeing Buyer's obligations hereunder;

WHEREAS, capitalized terms are defined in <u>Section 12.17</u> (or a cross-reference to such definition is set forth therein).

NOW, THEREFORE, in consideration of the foregoing premises, which are hereby made a part of this Agreement, and the mutual promises and covenants contained in this Agreement, the receipt and sufficiency of which are hereby acknowledged, and for their mutual reliance, the parties agree as follows:

ARTICLE 1 SALE AND TRANSFER OF ASSETS; CONSIDERATION; CLOSING

1.1 <u>Purchase Price</u>.

- (a) Subject to the terms and conditions of this Agreement, the cash purchase price to be paid by Buyer to Sellers in exchange for the Assets and other rights and benefits conferred by this Agreement and the other Transaction Documents (the "**Purchase Price**") shall equal (i) One Billion Five Hundred Million Dollars (\$1,500,000,000) ("**Base Cash Consideration**"), minus (ii) the Closing Liabilities Amount, minus (iii) the Seller Transaction Expenses Amount, minus (iv) the Indebtedness Amount, minus (v) the amount (if any) by which the Net Working Capital Target exceeds Closing Net Working Capital, plus (vi) the amount (if any) by which Closing Net Working Capital exceeds the Net Working Capital Target (the amount in either clause (v) or clause (vi), the "Closing Net Working Capital Adjustment"), plus (vii) the Cash Amount.
- (b) At least five Business Days, but no more than ten Business Days, prior to the Closing Date, Sellers shall prepare and deliver to Buyer a statement, substantially consistent with the form set forth on Exhibit A ("Estimated Closing Statement"), setting forth in reasonable detail Sellers' reasonable and good faith estimates of (i) the Estimated Closing Liabilities Amount, (ii) the Estimated Seller Transaction Expenses Amount, (iii) the Estimated Indebtedness Amount, (iv) the Estimated Closing Net Working Capital Adjustment and the Estimated Purchase Price and (vi) the Estimated Cash Amount. Following the delivery of the Estimated Closing Statement, Sellers shall promptly provide Buyer reasonable access to the books and records and work papers used by Sellers in preparing the Estimated Closing Statement for purposes of assisting Buyer in its review of the Estimated Closing Statement. Prior to the Closing Date, the parties shall cooperate in good faith to answer any questions and resolve any issues reasonably raised by Buyer in connection with Buyer's review of the Estimated Closing Statement. Sellers shall consider in

good faith any comments or objections to any amounts set forth on the Estimated Closing Statement provided to them by Buyer before the Closing and if, before the Closing, Sellers and Buyer agree in writing at least two days before the Closing Date to make any modification to the Estimated Closing Statement, then the Estimated Closing Statement as so modified shall be deemed to be the Estimated Closing Statement for purposes of calculating the Estimated Closing Payment. If the parties fail to agree upon any amounts set forth in the Estimated Closing Statement at least two days before the Closing Date, then, subject to the satisfaction or waiver (if permissible) of the conditions set forth in Articles 6 and 7 at the Closing, the Closing shall proceed at such time and on such date as otherwise contemplated by Section 1.3 and the Estimated Closing Payment set forth in the Estimated Closing Statement delivered by Sellers pursuant to Section 1.1(b) with such modifications as have been agreed by the parties shall be used for the Closing.

- (c) The parties shall work together in good faith to prepare a funds flow spreadsheet (the "Funds Flow Memorandum") reflecting: (i) the aggregate amount to be paid at the Closing by Buyer to Sellers, as reflected on the Estimated Closing Statement, (ii) the amounts to be paid at the Closing by Buyer to (A) any creditors who are owed any portion of the Indebtedness Amount set forth on Schedule 2.11(b), as reflected on the Estimated Closing Statement, (B) any third party who is owed any portion of the Seller Transaction Expenses Amount, as reflected on the Estimated Closing Statement, and (C) the amount to be paid to the Title Company pursuant to Section 5.5(e), if any, and (iii) wire transfer instructions for each payment to be made at the Closing as set forth in the Funds Flow Memorandum.
- (d) Subject to the terms and conditions of this Agreement, at the Closing, Buyer shall pay, by wire transfer of immediately available funds pursuant to the wire instructions set forth on the Funds Flow Memorandum:
 - (i) to the Escrow Agent, (A) the Adjustment Escrow Amount into an escrow account (the "Adjustment Escrow Account") and (B) the General Escrow Amount into an escrow account (the "General Escrow Account"), each to be held by the Escrow Agent in accordance with the terms of the Escrow Agreement;

 - (vi) to the Title Company, the amount required by the terms of $\underline{\text{Section}}$ $\underline{5.5(e)}$, if any.

1.2 Post-Closing Adjustment to Purchase Price.

- (a) Within 120 calendar days after the Closing Date, Buyer shall prepare and deliver to Sellers a statement, substantially consistent with the form set forth on Exhibit A (the "Closing Statement") setting forth (i) Buyer's calculation of the Closing Liabilities Amount, Seller Transaction Expenses Amount, Indebtedness Amount and Closing Net Working Capital, (ii) the resulting calculations of the Closing Net Working Capital Adjustment and the Purchase Price and (iii) Buyer's calculation of the Cash Amount and any resulting payment among the parties. Buyer shall give Sellers reasonable and timely access, during normal business hours and upon reasonable advance notice, to review the books and records and work papers relating to the Healthcare Businesses and to such employees and representatives of Buyer as shall be reasonably necessary for Sellers to review the calculations contemplated in this Section 1.2.
- (b) If Sellers dispute the calculation of the Closing Liabilities Amount, Seller Transaction Expenses Amount, Indebtedness Amount, Cash Amount or Closing Net Working Capital as of the Effective Time or the resulting calculations of the Closing Net Working Capital Adjustment and the Purchase Price, Sellers shall notify Buyer in writing within 60 calendar days after Sellers' receipt of the Closing Statement from Buyer (the "Objection Statement"), which Objection Statement shall specify the items to which each such objection relates and the basis for each such objection, and which shall include Sellers' alternative calculation of the Closing Liabilities Amount, Seller Transaction Expenses Amount, Indebtedness Amount, Cash Amount or Closing Net Working Capital as of the Effective Time and the resulting calculations of the Closing Net Working Capital and the Purchase Price. If Sellers do not deliver an Objection Statement to Buyer prior to such date, the Closing Statement and the calculations set forth therein shall be final, binding and nonappealable. Sellers and Buyer shall negotiate in good faith to resolve any objections of the type described above and set forth in the Objection Statement; provided, however, that any discussions relating thereto shall be governed by Rule 408 of the Federal Rules of Evidence and any similar state rule(s), and evidence of such discussions shall not be admissible in any future Proceedings between Sellers and Buyer. If Sellers and Buyer cannot resolve such objection within 30 days after delivery of the Objection Statement, then Sellers and Buyer shall instruct the Independent Accountants to select one of their partners experienced in health-care-related purchase price adjustment disputes to review the matters set forth in the Objection Statement that remain in dispute and promptly decide the proper amounts of such disputed issues (which decision shall also include a recalculation of the Purchase Price). If issues in dispute are submitted to the Independent Accountants for resolution, Sellers, on the one hand, and Buyer, on the other hand, shall furnish to the Independent Accountants and the other party or parties such workpapers and other documents and information relating to the disputed issues as the Independent Accountants may request and that are available to such party or its Affiliates, will be afforded the opportunity to present to the Independent Accountants one position paper relating to the determination within 15 days of the submission of the dispute to the Independent Accountants, and the opportunity to respond to the Independent Accountants' questions and the items furnished by the other party regarding the dispute. In resolving the items in the Objection Statement that are still in dispute and in determining the recalculation of the Purchase Price, the Independent Accountants shall (i) not assign to any item in dispute a value that is (A) greater than the greatest value for such item assigned by Buyer, on the one hand, or Sellers, on the other hand, or (B) less than the smallest value for such item assigned by Buyer, on the one hand, or Sellers, on the other hand, (ii) make a final determination of the disputed items in accordance with the provisions, guidelines and procedures set forth in this Agreement, (iii) act as an expert and not as an arbitrator, (iv) render a final resolution in writing to Buyer and Sellers (which final resolution shall be requested by Buyer and Sellers to be delivered not more than 60 days following submission of such disputed items to the Independent Accountants), which final resolution, absent manifest error, shall be final, conclusive, binding and nonappealable on Buyer and Sellers, and (v) not engage in independent factual investigation, not hear evidence from either Buyer or Sellers outside the presence of both Buyer and Sellers, and not engage in ex parte communications with Buyer or Sellers.

The Purchase Price as finally determined pursuant to this <u>Section 1.2(b)</u> is referred to herein as the "**Final Purchase Price**." The costs of the Independent Accountants shall be borne one-half by Sellers (jointly and severally), on the one hand, and one-half by Buyer, on the other hand; <u>provided</u>, <u>however</u>, that such costs shall be paid by Buyer to the Independent Accountants, and one-half of such costs shall be included in the Seller Transaction Expenses Amount for purposes of determining the Final Purchase Price.

- (c) If the Final Purchase Price exceeds the Estimated Purchase Price, then (i) Buyer shall promptly (but in any event within five Business Days after the final determination thereof) pay to an account designated by Sellers the amount of such excess by wire transfer of immediately available funds, and (ii) Sellers and Buyer shall jointly instruct the Escrow Agent to pay to Sellers from the Adjustment Escrow Account an amount equal to the Adjustment Escrow Amount by wire transfer of immediately available funds.
- (d) If the Estimated Purchase Price exceeds the Final Purchase Price, then, within five Business Days after the final determination thereof, Sellers and Buyer shall jointly instruct the Escrow Agent to pay from the Adjustment Escrow Amount an amount equal to such excess to Buyer by wire transfer of immediately available funds. If any funds remain in the Adjustment Escrow Amount, Sellers and Buyer shall also, simultaneously with the joint instruction for Buyer's distribution, jointly instruct the Escrow Agent to pay to Sellers such remaining funds from the Adjustment Escrow Amount through a wire transfer to an account or accounts designated by Sellers pursuant to the terms of the Escrow Agreement. If such excess is more than the Adjustment Escrow Amount, Sellers shall promptly (but in any event within no more than five Business Days) pay the amount by which the excess is more than the Adjustment Escrow Amount to Buyer by wire transfer of immediately available funds to an account designated by Buyer (for which obligation Sellers shall be jointly and severally liable). Sellers shall fund such payment, if any, out of the Purchase Price.
- (e) The parties shall treat any payment made pursuant to this <u>Section 1.2</u> as an adjustment to the Purchase Price for all Tax purposes to the maximum extent permitted by Law. Payments to be made pursuant to this <u>Section 1.2</u> shall not include interest.
- 1.3 <u>Closing Date</u>. The consummation of the Transactions (the "**Closing**") shall take place remotely by e-mail through the exchange of PDF documents or other electronic transmissions commencing at 10:00 a.m., Eastern Time, on the last day of the month during which the last of the conditions set forth in <u>Article 6</u> and <u>Article 7</u> (other than those conditions that by their terms are to be satisfied at the Closing) have been satisfied or waived, or at such other date and/or at such other location as the parties may mutually designate in writing (the "**Closing Date**"). Unless otherwise agreed in writing by the parties, the Closing shall be effective for accounting purposes as of 12:00:01 a.m. on the day immediately following the Closing Date or such other time as mutually agreed to by the parties (the "**Effective Time**") and the Closing shall be deemed to have occurred as of the Effective Time.

- 1.8 Cash Management with Respect to Non-Transferable Governmental Patient Receivables. Sellers and their Affiliates hereby appoint and authorize Buyer to act as their respective collection agent with respect to the Non-Transferable Governmental Patient Receivables. In connection therewith, Sellers and Buyer shall use each of Sellers' existing bank accounts set forth in Schedule 1.4(r) ("Bank Accounts") that receive any direct deposits, wires or other electronic transfers from any Government Program as "lock box" accounts for the deposit of all collections of Non-Transferable Governmental Patient Receivables, and such accounts shall be maintained by Sellers in accordance with this Section 1.8 until all Non-Transferable Governmental Patient Receivables are collected and deposited in such lock box accounts. After the Closing, all cash, checks, drafts or other similar items of payment with respect to all of the Non-Transferable Governmental Patient Receivables shall continue to be deposited into such lock box accounts. At or before the Closing, Sellers shall instruct the banks that maintain such lockbox accounts to transfer automatically on a daily or other periodic basis (as determined by Buyer) all available funds held in such lockbox accounts or other depository accounts to an account or accounts designated by Buyer. If any Seller comes into possession or control of any payments with respect to any Non-Transferable Governmental Patient Receivables, such Seller shall promptly (and in any event within two Business Days of request) deposit such payments into such lockbox accounts or other depository accounts specified by Buyer.
- (a) <u>Signature Cards</u>. Sellers shall execute and deliver all signature cards and other documentation, and cooperate with Buyer to effect all changes in the Bank Accounts as reasonably requested by Buyer.
- (b) <u>Misdirected Payments</u>. If, following the Closing, any Government Program, Private Program, customer, patient, vendor, supplier or other third party misdirects goods or payments to any Seller in respect of any Assets, then Sellers shall promptly notify Buyer and forward such misdirected goods or payments to Buyer (or, if such payment is from a Government Program, then to the lockbox account in accordance with this <u>Section 1.8</u>).

On or prior to the Closing Date, Sellers and Buyer shall enter into an escrow agreement (the "Escrow Agreement") with the Escrow Agent in a form substantially and materially similar to that set forth in Exhibit B. The Adjustment Escrow Account shall be maintained until final determination of the Final Purchase Price in accordance with this Agreement. The General Escrow Account shall be maintained, pursuant to the terms of the Escrow Agreement, for a period of 48 months following the Closing ("Escrow Period"). The Escrow Agent's fee and costs shall be paid by Buyer; provided, that any obligation for indemnification or for other fees and expenses of the Escrow Agent arising out of a dispute giving rise to indemnification or out-of-pocket expenses incurred on account of a party's noncompliance with this Agreement or the Escrow Agreement shall be borne by the party determined by a court of competent jurisdiction to be responsible for causing the Damage or Liability against which the Escrow Agent is entitled to indemnification or reimbursement or, if no such determination is made, then equally by Sellers and Buyer. Any interest accruing on the Escrow Amount shall be paid pro rata to the Sellers, collectively on the one hand, and Buyer, on the other hand, based on the percentage of the Adjustment Escrow Amount and General Escrow Amount, respectively, paid to such parties.
- 1.10 <u>Physical Inventory</u>. Between 10 and 15 days preceding the Closing Date, Sellers shall perform a physical inventory of each material warehouse or other facility holding a material quantity of Inventory used in the Healthcare Businesses in a manner consistent with its past practice to verify the levels and amounts of the Inventory. Sellers shall give Buyer not less than 10 days' prior written notice

before conducting each such physical inventory. Sellers shall permit Buyer's Representatives to observe such physical inventory and will be permitted to make test counts of Inventory and receive copies of the records related to such physical inventory. In connection with such physical inventory, Sellers and Buyer shall jointly determine if any items of Inventory are unusable or obsolete, which unusable or obsolete items of Inventory shall be excluded from the calculation of the value of the Inventory calculated pursuant to this Section 1.10. Before the Closing Date, Sellers shall remove items of Inventory that, based upon such physical inventory, have been determined by the parties to be unusable or obsolete. The value of the Inventory shall be determined by applying the lower of market or cost to each item of Inventory as of the date of such physical inventory and Sellers shall prepare a schedule thereof, which shall be used in calculating Closing Net Working Capital; provided, that the value of the Inventory (for purposes of calculating Closing Net Working Capital) shall be increased or decreased, as appropriate, to reflect the value of any additions to, or the value of deletions from (as determined by the physical inventory), the Inventory between the date(s) of such physical inventory and the Effective Time.

1.11 <u>Prorations.</u> Except as otherwise provided herein or as settled at the Closing or in connection with the post-Closing adjustments to the Purchase Price as set forth in <u>Section 1.2</u>, within 90 days after the Closing Date, Sellers and Buyer shall prorate as of the Effective Time any amounts that become due and payable on or after the Closing Date with respect to (a) ad valorem Taxes, if any, on the Assets (which shall be prorated as of the Closing Date) and (b) real and personal property Taxes on the Assets (which shall be prorated as of the Closing Date). Any such amounts which are not available within 90 days after the Closing Date shall be similarly prorated as soon as practicable thereafter. For the avoidance of doubt, any items that are included in the calculation of Closing Net Working Capital shall be deemed finally settled and shall not be subject to any further prorations or adjustments pursuant to this <u>Section 1.11</u>.

1.12 Intended Tax Treatment and Allocation of the Purchase Price.

- (a) Sellers and Buyer agree and acknowledge that, for U.S. federal Income Tax purposes, and for purposes of any corresponding provision under state or local Tax law, the sale by Sellers of the Assets to Buyer in exchange for the Purchase Price hereby is intended to be treated as follows: (i) the purchase by Buyer and sale by NHRMC of NHRMC's equity or membership interests in the Joint Ventures is intended to be treated as a taxable sale and acquisition of partnership interests pursuant to Section 741 of the Code; (ii) the purchase by Buyer and sale by NHRMC of NHRMC's equity interests in the Disregarded Entities is intended to be treated as a taxable sale and purchase of an undivided interest in the underlying assets of each of the Disregarded Entities pursuant to Treasury Regulations Section 301.7701-3 and Section 1001 of the Code; and (iii) the purchase by Buyer and sale by Sellers of the remaining Assets (including the equity or membership interests of the Seller Subsidiaries) not included in clauses (i) and (ii) is intended to be treated as a taxable sale and purchase of an undivided interest in such Assets pursuant to Section 1001 of the Code (the "Intended Tax Treatment").
- (b) The parties agree that the Purchase Price, including any Assumed Obligations and along with any other items treated as taxable consideration for the Assets for Tax purposes (the "Allocable Consideration"), shall be allocated separately among the Assets acquired from each Seller as described on Schedule 1.12(b)(1) (the "Purchase Price Allocation"), and in accordance with the methodology set forth on Schedule 1.12(b)(2) (the "Allocation Schedule Methodology"), which is consistent with Section 1060 of the Code and the Treasury Regulations promulgated thereunder. Buyer shall deliver a draft allocation schedule to each Seller within 180 days following the date when the Final Purchase Price is determined under this Agreement consistent with the Allocation Schedule Methodology (each, a "Purchase Price Allocation Schedule"). Sellers shall provide any comments to Buyer within 30 days of receipt thereof (the "Allocation Review Period"). Sellers shall be deemed to have accepted such

Purchase Price Allocation Schedule if Sellers do not provide any comments to Buyer during such Allocation Review Period. If Sellers provide any comments to such Purchase Price Allocation Schedule within such Allocation Review Period, the parties will negotiate in good faith to resolve any such comment(s). If Buyer and Sellers are unable to agree on any timely raised comments by Sellers to a draft Purchase Price Allocation Schedule, then Buyer and Sellers shall engage the Independent Accountants to resolve the matter, and the Independent Accountants' determination shall be final and binding on the parties. The fees and expenses of the Independent Accountants shall be borne by each party in the percentage inversely proportionate to the percentage of the total items submitted for dispute that are resolved in such party's favor.

- (c) The parties shall prepare and file all Tax Returns in a manner consistent with the final Purchase Price Allocation Schedules and the Intended Tax Treatment, and shall not take a position on any Tax Return or agree to any proposed settlement or adjustment with respect thereto with any Governmental Entity inconsistent with such final Purchase Price Allocation Schedules and the Intended Tax Treatment without the written consent of the other parties unless required to do so by applicable Law.
- (d) To the extent requested by Buyer at least 10 Business Days before the Closing Date, Buyer and Sellers shall cooperate in good faith to (i) allocate the Owned Real Property Purchase Price among the Owned Real Property to be transferred at Closing pursuant to the terms of Section 1.4(a) and (ii) prepare a schedule reflecting such mutually agreed-upon allocation of the Owned Real Property Purchase Price (the "Owned Real Property Allocation Schedule"). As used herein, the term "Owned Real Property Purchase Price" means the portion of the Purchase Price allocable to the Owned Real Property to be transferred at Closing pursuant to the terms of Section 1.4(a), as reasonably determined by Buyer and Sellers.
- 1.13 <u>Withholding</u>. Buyer shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement all amounts required under the Code or any applicable provision of any state, local or foreign Tax Law to be deducted and withheld. To the extent that any such amount is so deducted and withheld by Buyer, such amount shall be treated for all purposes of this Agreement as having been paid to the Person to whom such amount was deducted and withheld.

does not accept the Third-Party Offer Notice or fails to consummate the transaction contemplated thereby within 180 days of the later of the end of the ROFR Option Period or the Purchase Period, as the case may be, then the provisions of this Section 5.22 shall be complied with respect to any subsequent transfers of the Affected Assets. Buyer shall cause any third party acquiring the Affected Assets to assume Buyer's obligations and covenants set forth in this Article 5 to the extent such obligations and covenants remain in effect. For purposes of this Agreement, all references to "corporation" in N.C. Gen. Stat. § 131E-13(a) shall be read and interpreted to include Buyer, notwithstanding any other statutory definitions. Notwithstanding that the parties have agreed to the foregoing sentence as a contractual matter between them, Buyer acknowledges that the North Carolina Attorney General is empowered to require Buyer to comply with N.C. If disputed by the parties, the amount of any reduction in the Purchase Price pursuant to this Section 5.26 shall be determined by a valuation expert experienced in the healthcare business mutually determined by the parties, which the parties shall use all commercially reasonable efforts to have completed as promptly as possible. The fees and expenses of any such expert shall be paid one-half by Sellers, jointly and severally, and one-half by Buyer. Until the Effective Time, Sellers shall bear all risk of loss with respect to the Damaged Assets.

- 5.27 <u>Transferred Seller Bank Accounts</u>. Between the date of this Agreement and the Closing Date, Sellers shall take such actions, and execute and deliver such documents, as are reasonably necessary or appropriate to transfer at Closing the ownership of the Transferred Seller Bank Accounts (inclusive of all cash in such Transferred Seller Bank Accounts), including facilitating contact between Buyer's Representatives and any financial institution at which any of such Transferred Seller Bank Accounts is maintained, obtaining any signature guarantees required by any financial institution at which any of such Transferred Seller Bank Accounts is maintained and ensuring that no debits or cash sweeps of whatever kind will be made by or on behalf of Sellers or any Seller Affiliate out of such Transferred Seller Bank Accounts following the Closing.

Novant Health hereby unconditionally and absolutely guarantees the performance by Buyer of each and every obligation, covenant and agreement of Buyer in this Agreement and in each other Transaction Document, and in any amendment and/or modification hereof or thereof and notwithstanding the extension of the time for performance of payment of money pursuant to this Agreement, or of the time for performance of any other obligations, covenants or agreements in this Agreement or any Transaction Document, as amended or modified; <u>provided, however,</u> that this <u>Section 5.28</u> and Novant Health's guarantee shall apply, after the Closing, only to the express covenants of Buyer under this Agreement and the other Transaction Documents and not to any other action or obligation of Buyer directed, caused or created by the Local Board (whether pursuant to its Reserved Powers or otherwise) after the Closing.

ARTICLE 6 CONDITIONS PRECEDENT TO OBLIGATIONS OF BUYER

Buyer's obligation to purchase the Assets and to close the Transactions shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Buyer in whole or in part at or prior to the Closing.

- 6.1 <u>No Orders; Illegality</u>. The parties shall reconcile the prior payment made based on the tentative settlement pursuant to the immediately preceding sentence, with the final amount set forth in the final settlement of the cost report(s), by the making of a cash payment so as to cause the net aggregate amount paid by Buyer to Sellers with respect to any given Sellers' Bad Debt to be equal to the amount set forth on the final settlement. Any additional payment due to Sellers by Buyer as a result of the cost report audit of Sellers' Bad Debts claims submitted by Buyer and/or any final settlement shall be remitted to Sellers within 30 days of Buyer's receipt of the Notice of Program Reimbursement (NPR) for the cost report in question. To the extent that CMS repays Buyer or its Affiliates all or a portion of an AAP Program Repayment for which Sellers have reimbursed Buyer for under this Section 9.6, Buyer shall repay such amount to Sellers within 20 Business Days of receipt.
- (b) In the event that the AAP Program is amended or modified to provide for the extension, deferral or forgiveness of all or a portion of the AAP Program Amount, upon request of Sellers, Buyer shall take such action and file such documents to obtain such extension, deferral or forgiveness.

Each such Billing Information License shall be effective (a) for purposes of Medicare, until CMS and the applicable CMS Medicare Administrative Contractor approve Buyer's or its Affiliate's Medicare change of ownership application and issue a tie-in notice and approval letter acknowledging that Buyer (or its Affiliate) may be reimbursed for claims submitted using Buyer's (or such Affiliate's) billing identification information; and (b) for purposes of Medicaid and any other Government Programs, until the applicable Medicaid program(s) or program agent(s) approves Buyer's (or its Affiliate's) provider enrollment application and/or approves assignment of the applicable provider contract and issues the appropriate notice acknowledging that Buyer (or its Affiliate) may be reimbursed by the applicable Medicaid or other Government Program for claims submitted using Buyer's (or its Affiliate's)

identification information. So long as such Billing Information License remains in effect, Sellers shall not act to: (i) terminate any of their billing identification information except as required by applicable Law; (ii) close any accounts used by Sellers before the Effective Time for purposes of receiving reimbursement; or (iii) cancel any electronic funds transfer agreements with respect to any Government Program. All accounts receivable and monies collected in the name of Buyer and/or its Affiliates or the Facilities for services provided by Buyer (and/or its Affiliates), the Facilities or any Material Affiliation after the Effective Time shall belong to Buyer (and/or its Affiliates).

- 9.8 Remittances. As of the Effective Time, each Seller hereby (i) authorizes Buyer to open any and all mail addressed to any Seller and delivered to the Healthcare Businesses or otherwise to Buyer if received on or after the Effective Time, and (ii) appoints Buyer as its attorney in fact to endorse, cash and deposit any monies, checks or negotiable instruments received by Buyer after the Effective Time with respect to any Accounts Receivable, any other Asset or any accounts receivable relating to services provided by Buyer or the Healthcare Businesses after the Effective Time, as the case may be, made payable or endorsed to any Seller or Seller's order, for Buyer's own account.
- 9.9 <u>Agreement Not to Compete</u>. Each Seller covenants and agrees that in order to maintain the goodwill acquired in the Transactions by Buyer and in consideration of the investments in the Service Area that Buyer is committing to and will make, for a ten-year period following the Closing Date, it shall not, directly or indirectly:
- (a) engage in any Competitive Activity (as defined below) within or with respect to the Service Area; and/or
- (b) as an employee, agent, partner, equityholder, member, manager, investor, director, consultant or otherwise assist any third party to engage in Competitive Activity within or with respect to the Service Area.
- (c) "Competitive Activity" means engaging in a business similar to the Healthcare Businesses. Notwithstanding the preceding, beneficially owning the stock or options to acquire stock totaling less than 1% of the outstanding shares in a public company shall not constitute by itself "Competitive Activity".
- (d) Notwithstanding any other term of this <u>Section 9.9</u>, nothing in this <u>Section 9.9</u> shall, or shall be construed to, prohibit or limit in any way the County's operations of a county health department and emergency services and the provision of services ancillary thereto so long as such services are not provided as a licensed hospital. The term "**Competitive Activity**" shall specifically exclude the operation by the County of a county health department and emergency services and the provision of services ancillary thereto so long as such services are not provided as a licensed hospital.
- 9.10 Agreement Not to Interfere with the Healthcare Businesses. Each Seller covenants and agrees that in order to maintain the goodwill acquired in the Transactions by Buyer, ensure that the acquired Healthcare Businesses continue to have key personnel necessary to provide high quality services to patients in the Service Area after the Transactions, and in consideration of the investments in the Service Area that Buyer is committing to and will make, for a seven-year period following the Closing Date, it shall not, directly or indirectly:
- (a) solicit, encourage or cause any resident of the Service Area to purchase any services from any third party that are competitive with or a substitute for the services offered by the Healthcare Businesses in the Service Area at any time during the 24-month period immediately preceding the Closing Date;

- (b) solicit, encourage or cause any supplier of goods or services who has provided goods or services to the Healthcare Businesses during the 24-month period before the Closing Date not to do business with or to reduce any part of its business with the Healthcare Businesses in the Service Area or Buyer; and/or
- (c) (i) hire or engage or attempt to hire or engage for employment or as an independent contractor in the Service Area any person employed by the Healthcare Businesses or Buyer who was employed by or worked in the Healthcare Businesses immediately before the Closing as an executive, manager, Physician, nurse, clinician, department leader or other supervisory employee (each, a "Restricted Employee"); and/or (ii) solicit or encourage any Restricted Employee to terminate his or her employment or independent contractor relationship with the Healthcare Businesses or Buyer. The foregoing restrictions do not apply to any Restricted Employee that responds to a general advertisement or recruitment campaign not specifically directed at such Restricted Employee.
- 9.11 <u>Closing of Financials</u>. Buyer shall cause the individual(s) acting as the chief financial officer of Buyer after the Effective Time or such other person(s) as may be responsible for financial closings and reconciliations (the "**Finance Team**") to complete (or take such action as shall be necessary for Buyer or Sellers to complete) the standardized closing of Sellers' financial records for the Healthcare Businesses through the Closing Date including the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Buyer shall cause the Finance Team to use their good faith efforts to complete the Closing of Financials by no later than the date which is 60 days after the Closing Date. The Finance Team and other appropriate personnel shall be reasonably available to Sellers after the Closing Date as reasonably requested by Sellers, including to assist Sellers in the completion of any post-Closing audit by Sellers of Seller's financial records for the Healthcare Businesses before the Closing Date.
- 9.12 <u>Archive Copy of VDR</u>. Sellers shall, at Buyer's sole cost and expense, within five Business Days after the Closing Date, deliver to Buyer a complete archive copy of the VDR hosted by Intralinks as of the Closing Date.
- 9.13 <u>Survival</u>. Each Section of <u>Article 9</u> shall survive the Closing for a period of three years unless otherwise expressly stated in such Section.

ARTICLE 10 INDEMNIFICATION; COMPLIANCE MATTERS

- and 3, respectively, shall not survive the Closing, except that the representations and warranties set forth in Sections 2 and 3, respectively, shall not survive the Closing, except that the representations and warranties set forth in Sections 2.1, 2.2, 2.3, 2.8(c), 2.10(a), 2.22, 3.1, 3.2, 3.3, 3.4 and 3.5 (the "Fundamental Representations") shall continue in full force and effect for 10 years following the Closing. All covenants of Buyer and Sellers herein (including all covenants of Buyer and Sellers required to be performed before the Closing) shall survive Closing indefinitely unless such covenant expires earlier by its express terms. Except as otherwise set forth herein, no hold harmless or indemnification claim arising with respect to a breach of any representation or warranty, to the extent permitted, or any covenant shall be initiated following the applicable expiration date set forth in this Section 10.1; provided, however, that any such hold harmless or indemnification claim made in accordance with this Agreement on or prior to the applicable expiration date, and any obligation under this Article 10 with respect thereto, shall survive and remain in effect notwithstanding the occurrence of the applicable expiration date.
 - 10.2 <u>Sellers' Indemnification</u> of Buyer.

- (a) <u>Indemnification</u>. If the Closing occurs, Sellers shall, jointly and severally, and with respect to the County, solely to the extent permitted under applicable Law, and subject to the limitations set forth in <u>Section 10.2(b)</u>, indemnify, defend and hold harmless Buyer and each of Buyer's Affiliates (including the Joint Ventures and Facilities) and its and their respective equityholders, members, Representatives, successors and assigns (collectively, the "**Buyer Indemnified Parties**") from and against all Damages to the extent arising or resulting from:
 - (i) any breach of any representation or warranty of any Seller under this Agreement (other than the Fundamental Representations);
 - (ii) any breach of any Fundamental Representation of any Seller under this Agreement;
 - (iii) any breach or default by Sellers of any covenant of any Seller under this Agreement;
 - (iv) any of the Excluded Assets and/or Excluded Liabilities; and/or
 - (v) any fraud or intentional misconduct on the part of any Seller.

Sellers' obligations under this <u>Section 10.2</u> shall remain subject to, and shall be limited by, the provisions contained in this Article 10.

- (b) <u>Limitations</u>. Sellers' indemnification, defense and hold harmless obligations under <u>Section 10.2(a)</u> shall be subject to the following limitations:
 - (i) Buyer's sole and exclusive remedy for any Damages arising out of Sellers' breach of representations and warranties under Section 10.2(a)(i) shall be the R&W Policy and Sellers' payment of the Seller Retention from the General Escrow Account. For the avoidance of doubt, except solely with respect to Sellers' responsibility for the Seller Retention, Buyer shall have no recourse or remedy against Sellers, and Sellers shall have no obligation to indemnify or hold harmless Buyer, for Damages arising out of or relating to Sellers' breach of representations or warranties under Section 10.2(a)(i), under common law, or otherwise, including in the event Buyer does not obtain or maintain the R&W Policy for any reason. For the avoidance of doubt, this Section 10.2(b)(i) does not apply to claims for Damages arising under Sections 10.2(a)(ii) (v).
 - (ii) Subject to Section 10.4(d), for any and all other Damages arising or accruing under Section 10.2(a) (other than with respect to any Seller's breach of a post-Closing covenant and other than with respect to fraud or intentional misconduct of any Seller), Buyer's sole and exclusive remedy for such Damages shall be a disbursement of funds from the General Escrow Amount, and only for so long as sufficient General Escrow Amount funds remain available in the General Escrow Account. For the avoidance of doubt, upon the exhaustion of the General Escrow Amount, Buyer shall have no further recourse from or against Sellers for Damages arising or accruing under Section 10.2(a) (other than with respect to any Seller's breach of a post-Closing covenant and other than with respect to fraud or intentional misconduct). For the avoidance of doubt, nothing in this Agreement shall preclude any Buyer Indemnified Party from bringing a claim and pursuing Damages as a remedy against the applicable Seller (on a several basis) for such Seller's breach of a post-Closing covenant or fraud or intentional misconduct after exhaustion of the General Escrow Amount or after the second anniversary of the Closing.

- (iii) Buyer shall bring any and all indemnity claims against Sellers prior to the expiration of the Escrow Period; <u>provided</u>, <u>however</u>, that any indemnity claim made in accordance with this Agreement on or prior to expiration of the Escrow Period, and any obligation of Sellers under this <u>Article 10</u> with respect thereto, shall survive and remain in effect notwithstanding such expiration date.
- (iv) Sellers shall be under no obligation to indemnify any Buyer Indemnified Party under Section 10.2(a) and no claim under Section 10.2(a) shall be made unless notice thereof shall have been given by or on behalf of Buyer Indemnified Party to Sellers in the manner provided in Section 10.4, unless failure to provide such notice in a timely manner does not materially impair Sellers' ability to defend their rights or otherwise protect their interests.
- 10.3 <u>Indemnification of Sellers by Buyer</u>. If the Closing occurs, Buyer shall indemnify, defend and hold harmless each Seller and each of its Affiliates and their respective equityholders, Representatives, successors and assigns from and against all Damages to the extent arising or resulting from (a) any breach of any representation or warranty of Buyer under this Agreement, (b) any breach of any Fundamental Representation of Buyer under this Agreement, (c) any breach or default by Buyer under any covenant or agreement of Buyer under this Agreement, (d) the Assumed Obligations or (c) any fraud or intentional misconduct on the part of Buyer. Buyer's obligations under this <u>Section 10.3</u> shall remain subject to, and shall be limited by, the provisions contained in this <u>Article 10</u>.

10.4 Payment of Claims.

- (a) From and after the Closing, any Damages with respect to any claim as to which any Buyer Indemnified Party may be entitled to indemnification from Sellers under Section 10.2(a)(i) shall be satisfied (i) first, toward satisfaction of Buyer's responsibility for the Buyer Retention, to the extent all, or any portion of, the Buyer Retention remains unsatisfied, (ii) second, toward satisfaction of Sellers' responsibility for the Seller Retention, to the extent all, or any portion of, the Seller Retention remains unsatisfied, which such amount shall be paid from the General Escrow Account to the extent sufficient General Escrow Amount funds remain, and (iii) third, to the extent such Damages exceed the Buyer Retention and Seller Retention, by recovery under the R&W Policy to the extent such recovery is available.
- (b) From and after the Closing, any Damages with respect to any claim as to which any Buyer Indemnified Party may be entitled to indemnification from Sellers under Section 10.2(a)(ii) or Section 10.2(a)(iv), as applicable, shall be satisfied: (i) first, toward satisfaction of Buyer's responsibility for the Buyer Retention, to the extent all, or any portion of, the Buyer Retention remains unsatisfied, (ii) second, toward satisfaction of Sellers' responsibility for the Seller Retention, to the extent all, or any portion of, the Seller Retention remains unsatisfied, which such amount shall be paid from the General Escrow Account to the extent sufficient General Escrow Amount funds remain; (iii) third, to the extent such Damages exceed the Buyer Retention and Seller Retention, by recovery under the R&W Policy to the extent such recovery is available; and (iv) fourth, to the extent the R&W Policy limits have been exhausted, by recovery from Sellers via the General Escrow Account, and only for so long as sufficient General Escrow Amount funds remain.
- (c) From and after the Closing (other than with respect to any breach by a Seller of a post-Closing covenant and other than with respect to fraud or intentional misconduct), any Damages with respect to any claim as to which any Buyer Indemnified Party may be entitled to indemnification from Sellers under Section 10.2(a) for which recovery under the R&W Policy is not available shall be satisfied solely by claim against the General Escrow Account, and only for so long as sufficient funds remain in the General Escrow Account.

- (d) In the case the state of facts giving rise to a claim for indemnification allows any Buyer Indemnified Party to seek recovery for Damages under any of Section 10.2(a)(ii) or 10.2(a)(iv) and Buyer believes in its reasonable judgment that the R&W Policy may reasonably be expected to provide such Buyer Indemnified Party with recovery for such Damages, such Buyer Indemnified Party shall first bring such claim against the R&W Policy and use commercially reasonable efforts to recover its indemnifiable Damages to the greatest extent provided under the R&W Policy; provided, however, in no event shall any Buyer Indemnified Party be obligated to commence a Proceeding against the insurer under the R&W Policy.
- (e) Within five Business Days after a Final Determination, Buyer and Sellers shall execute and deliver to the Escrow Agent a joint written direction pursuant to the Escrow Agreement instructing the Escrow Agent to disburse all or a portion of the General Escrow Amount (to the extent there are funds remaining in the General Escrow Account and only up to the amount of such remaining General Escrow Amount funds) in accordance with such Final Determination. For purposes of this Article 10, a "Final Determination" shall exist when (i) the Indemnifying Party and the Indemnified Party have entered into a written settlement agreement with respect to the subject matter of a claim or (ii) a final nonappealable Order has been entered by a court of competent jurisdiction with respect to the subject matter of a claim.
- Upon the second anniversary of the Closing, by joint written direction of the (f) parties, an amount equal to (i) \$75,000,000, minus (ii) all amounts released from the General Escrow Account before such time pursuant to Final Determinations, minus (iii) an amount equal to the amount in controversy with respect to any then-pending claims under this Article 10 shall be disbursed to a bank account designated in writing by Sellers together with all interest accrued on such amount; provided, however, that, after such date, the amounts retained in the General Escrow Account under clause (iii) shall be released when such claims are finally judicially determined or settled in accordance with this Article 10 and the parties issue a joint written direction to the Escrow Agent designating how such funds are to be disbursed together with interest thereon (consistent with such Final Determination(s)). Upon the fourth anniversary of the Closing, by joint written direction of the parties, all amounts remaining in the General Escrow Account shall be disbursed to a bank account designated in writing by Sellers together with all interest accrued on such amount; provided, however, that, the General Escrow Account shall continue to retain an amount equal to the amount in controversy with respect to any then-pending claims under this Article 10 until such claims are finally judicially determined or settled in accordance with this Article 10 and the parties issue a joint written direction to the Escrow Agent designating how such funds are to be disbursed together with interest thereon (consistent with such Final Determination(s)).
- 10.5 <u>Method of Asserting Claims for Indemnification</u>. All indemnification claims by any Person entitled to be indemnified under <u>Section 10.2</u> or <u>Section 10.3</u> (the "**Indemnified Party**") shall be asserted and resolved as follows:
- (a) In the event any claim or demand for which a party (an "Indemnifying Party") would be liable for Damages to an Indemnified Party is asserted against or sought to be collected from such Indemnified Party by a Person other than Sellers, Buyer or their Affiliates (a "Third-Party Claim"), the Indemnified Party shall deliver a notice of its claim (a "Claim Notice") to the Indemnifying Party within 30 calendar days after the Indemnified Party receives written notice of such Third-Party Claim which Claim Notice specifies in commercially reasonable detail the nature of and basis for such Third-Party Claim, the amount or the estimated amount of such Third-Party Claim (if known) and includes copies of all material written evidence thereof. If the Indemnified Party fails to provide the Claim Notice within such applicable time period after the Indemnified Party receives written notice of such Third-Party Claim and thereby materially impairs the Indemnifying Party's ability to protect its interests, the indemnity with respect to the subject matter of the Claim Notice shall be limited to the Damages that

would have nonetheless resulted absent the Indemnified Party's failure to notify the Indemnifying Party in the time required above after taking into account such actions as could have been taken by the Indemnifying Party had it received timely notice from the Indemnified Party. The Indemnifying Party shall notify the Indemnified Party within 30 calendar days after receipt of the Claim Notice (the "Notice Period") whether the Indemnifying Party desires, at the sole cost and expense of the Indemnifying Party, to defend the Indemnified Party against such Third-Party Claim. Notwithstanding anything to the contrary in this Section 10.5, with respect to (x) any claim under Section 10.2(a)(i) or (y) any claim under Section 10.2(a)(ii) or 10.2(a)(iv) with respect to which a Buyer Indemnified Party has determined under Section 10.4(d) to make a claim against the R&W Policy, if the underwriter under the R&W Policy so requires, the underwriter or the Buyer Indemnified Party, as applicable, shall control the defense of such Third-Party Claim and settle such claim in its sole discretion so long as such settlement is satisfied from the R&W Policy (subject to the application of any of the Buyer Retention and/or Seller Retention).

If the Indemnifying Party notifies the Indemnified Party within the Notice Period that the Indemnifying Party desires to defend the Indemnified Party with respect to the Third-Party Claim pursuant to this Section 10.5(a), then the Indemnifying Party will have the right to defend, at its sole cost and expense, with counsel selected by the Indemnifying Party (provided, that such counsel is reasonably acceptable to the Indemnified Party), such Third-Party Claim by all appropriate Proceedings, which Proceedings will be prosecuted by the Indemnifying Party to a final conclusion or will be settled at the discretion of the Indemnifying Party; provided, however, that the Indemnifying Party may not settle any such Third-Party Claim without the prior written consent of the Indemnified Party if the settlement involves any admission of Liability. guilt, or culpability by the Indemnified Party, or otherwise would require the Indemnified Party to pay money or incur any other obligation. Except as set forth in this Section 10.5 (including the last sentence of the foregoing paragraph), the Indemnifying Party will have full control of such defense and Proceedings, including any compromise or settlement thereof, and the Indemnified Party shall agree to any settlement, compromise or discharge of any Third-Party Claim that the Indemnifying Party may recommend that (A) by its terms obligates the Indemnifying Party to pay the full amount of the Liability in connection with such Third-Party Claim (subject to the indemnification limitations in this Article 10), (B) releases the Indemnified Party completely in connection with such Third-Party Claim, (C) does not provide for injunctive or other nonmonetary relief affecting the Indemnified Party or its Affiliates and representatives and (D) does not require any statement or admission of Liability or culpability by the Indemnified Party or its Affiliates or Representatives. Notwithstanding the foregoing, the Indemnified Party may, at its sole cost and expense, file during the Notice Period any motion, answer or other pleadings that the Indemnified Party may deem necessary or appropriate to protect its interests or those of the Indemnifying Party and which is not materially prejudicial, in the reasonable judgment of the Indemnifying Party, to the Indemnifying Party. Except as provided in Section 10.5(a)(ii), if an Indemnified Party takes any such action that is materially prejudicial and causes a final adjudication that is adverse to the Indemnifying Party, the Indemnifying Party will be relieved of its obligations hereunder solely to the extent such Third-Party Claim is materially prejudiced by the Indemnified Party's action. If requested by the Indemnifying Party, the Indemnified Party agrees, at the sole cost and expense of the Indemnifying Party, to reasonably cooperate with the Indemnifying Party and its counsel in contesting any Third-Party Claim that the Indemnifying Party elects to contest, or, if appropriate and related to the Third-Party Claim in question, in making any counterclaim against the Person asserting the Third-Party Claim, or any crosscomplaint against any Person (other than the Indemnified Party or any of its Affiliates). The Indemnified Party may participate in (including engaging counsel of its choice, at its expense), but not control, any defense or settlement of any Third-Party Claim controlled by the Indemnifying Party pursuant to this Section 10.5(a)(i), and except as specifically provided in this

Section 10.5(a)(i), the Indemnified Party will bear its own costs and expenses with respect to such participation.

- (ii) If (A) the Indemnifying Party fails to notify the Indemnified Party within the Notice Period that the Indemnifying Party desires to defend the Indemnified Party pursuant to this Section 10.5(a), (B) the Indemnifying Party gives such notice but fails to prosecute diligently or settle the Third-Party Claim, (C) the Indemnifying Party fails to give any notice whatsoever within the Notice Period or (D) the Third-Party Claim is asserted by a Governmental Entity for a violation of Law or involves a provider or material supplier or a Third-Party Claim that could reasonably be expected to result in the imposition of specific performance on Buyer or the Healthcare Businesses, then the Indemnified Party will have the right to defend, at the sole cost and expense of the Indemnifying Party, the Third-Party Claim by all appropriate Proceedings, which Proceedings will be promptly and reasonably prosecuted by the Indemnified Party to a final conclusion or will be settled at the discretion of the Indemnified Party. The Indemnified Party will have full control of such defense and Proceedings, including any compromise or settlement thereof; provided, however, that, if requested by the Indemnified Party, the Indemnifying Party agrees, at the sole cost and expense of the Indemnifying Party, to cooperate with the Indemnified Party and its counsel in contesting any Third-Party Claim that the Indemnified Party is contesting, or, if appropriate and related to the Third-Party Claim in question, in making any counterclaim against the Person asserting the Third-Party Claim, or any cross-complaint against any Person (other than the Indemnifying Party or any of its Affiliates). Notwithstanding the foregoing provisions of this Section 10.5(a)(ii), if the Indemnifying Party has notified the Indemnified Party with reasonable promptness that the Indemnifying Party disputes its Liability to the Indemnified Party with respect to such Third-Party Claim and if such dispute is resolved in favor of the Indemnifying Party, the Indemnifying Party will not be required to bear the costs and expenses of the Indemnified Party's defense pursuant to this Section 10.5(a)(ii) or of the Indemnifying Party's participation therein at the Indemnified Party's request. Subject to the above terms of this Section 10.5(a)(ii), the Indemnifying Party may participate in, but not control, any defense or settlement controlled by the Indemnified Party pursuant to this Section 10.5(a)(ii), and the Indemnifying Party will bear its own costs and expenses with respect to such participation. The Indemnified Party shall give sufficient prior notice to the Indemnifying Party of the initiation of any discussions relating to the settlement of a Third-Party Claim and allow the Indemnifying Party to participate therein.
- (b) If the Indemnifying Party does not notify the Indemnified Party within 30 calendar days following its receipt of a Claim Notice that the Indemnifying Party disputes its Liability to the Indemnified Party hereunder, such claim specified by the Indemnified Party will be conclusively deemed a Liability of the Indemnifying Party hereunder and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand, or on such later date (i) in the case of a Third-Party Claim, as the Indemnified Party suffers the Damages in respect of such Third-Party Claim or (ii) in the case of an Indemnity Notice in which the amount of the claim is estimated, when the amount of such claim becomes finally determined.
- (c) The Indemnified Party agrees to give the Indemnifying Party reasonable access to the books and records and employees of the Indemnified Party in connection with the matters for which indemnification is sought hereunder, to the extent the Indemnifying Party reasonably deems necessary in connection with its rights and obligations hereunder.
- (d) The Indemnified Party shall assist and cooperate with the Indemnifying Party in the conduct of litigation, the making of settlements and the enforcement of any right of contribution to which the Indemnified Party may be entitled from any Person in connection with the subject matter of any

litigation subject to indemnification hereunder. In addition, the Indemnified Party shall, upon request by the Indemnifying Party or counsel selected by the Indemnifying Party (without payment of any fees or expenses to the Indemnified Party or an employee thereof), attend hearings and trials, assist in the securing and giving of evidence, assist in obtaining the presence or cooperation of witnesses, and make available its own personnel; and shall do whatever else is necessary and appropriate in connection with such litigation. The Indemnified Party shall not make any demand upon the Indemnifying Party or counsel for the Indemnifying Party in connection with any litigation subject to indemnification hereunder, except a general demand for indemnification as provided hereunder. If the Indemnified Party shall fail to perform such obligations as Indemnified Party hereunder or to cooperate fully with the Indemnifying Party in Indemnifying Party's defense of any suit or Proceedings, such cooperation to include attendance at all depositions and the provision of all documents relevant to the defense of any claim, then, except where such failure does not materially affect the Indemnifying Party's defense of such claims, the Indemnifying Party shall be released from all of its obligations under this Agreement with respect to that suit or Proceedings and any other claims which had been raised in such suit or Proceedings.

- (e) Following indemnification as provided for hereunder, the Indemnifying Party shall be subrogated to all rights of the Indemnified Party with respect to all persons or entities relating to the matter for which indemnification has been made; <u>provided</u>, <u>however</u>, that the Indemnifying Party shall have no subrogation rights to seek reimbursement through or from the Indemnified Party's insurance policies, programs, coverage, carriers or beneficiaries.
- (f) The failure of the indemnified party to give reasonably prompt notice of any claim shall not release, waive or otherwise affect the Indemnifying Party's obligations with respect thereto, except to the extent that the Indemnifying Party can demonstrate that the Indemnifying Party's ability to defend or resolve such claim is adversely affected in a material manner thereby.
- (g) Any payment made to an Indemnified Party under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for Tax purposes, allocable to the Assets of such Seller to which the payment relates, unless otherwise required by Law.
- (h) To the extent Sellers, as an applicable Indemnifying Party, are obligated for any costs or expenses under this <u>Section 10.5</u>, Buyer's sole recourse for such amounts shall be the General Escrow Amount, and only for so long as sufficient funds remain.
- (i) If the Indemnified Party is entitled to recover any sum, whether by payment, discount, credit or otherwise, from any third party or policy of insurance, which, with respect to Buyer, shall include the Transferred Insurance Policies and Surety Bonds, in respect of any matter for which an indemnification claim could be made hereunder, the Indemnified Party shall use its commercially reasonable efforts to recover such sum from such third party or policy of insurance, and any sum recovered will reduce the amount of the indemnification claim accordingly. If the Indemnifying Party pays to the Indemnified Party an amount in respect of a claim, and the Indemnified Party subsequently recovers from a third party a sum that relates to that claim, the Indemnified Party shall promptly repay to the Indemnifying Party so much of the amount paid by it as does not exceed the sum recovered from the third party less all reasonable costs, charges and expenses incurred by the Indemnified Party in obtaining payment in respect of that claim and in recovering that sum from the third party. Nothing in this Section 10.5(i) shall require any party to commence litigation against any third party, including any insurance carrier.

10.6 Repatriation.

- If at any time following the Effective Time, Buyer (i) is in material default with respect to more than 50% of its obligations under Section 5.9(c), (ii) materially breaches any of Buyer's covenants set forth in Sections 5.10 or 5.12 or (iii) fails to comply in all material respects with the terms of N.C. Gen. Stat. § 131E-13(a), as amended, restated or revised from time to time ("Fundamental Covenants") and such material default or breach has not been waived in writing by Sellers or cured by Buyer to the reasonable satisfaction of Sellers within 90 calendar days after service by Sellers upon Buyer of a written notice that describes the nature of such material default or breach, then Sellers may at Sellers' election in Sellers' sole and unrestricted discretion, purchase, or take assignment of, all, and not less than all, of the Assets transferred to Buyer hereunder, including the Hospitals and all assets associated with the operation of the Hospitals and all other components of the Healthcare Businesses, and further including any assets acquired post-Closing and used by Buyer primarily in connection with the operation of the Healthcare Businesses, excluding NHBMC and all related assets (collectively, the "Repatriation Assets") (the "Repatriation Transaction"); provided, however, that the Repatriation Assets and the Repatriation Transaction shall not include the assets and operations of NHBMC. Sellers may exercise such right to purchase such Repatriation Assets by delivering written notice to Buyer at any time during the 45-day period immediately following the expiration of the cure period set forth above ("Purchase Notice").
- (b) Upon Sellers' delivery to Buyer of a Purchase Notice, the parties shall use their respective reasonable best efforts to enter into definitive documents relating to such Repatriation Transaction within not more than 90 days following Buyer's receipt of the Purchase Notice. The Repatriation Assets shall be transferred and assigned to Sellers or Sellers' designees pursuant to terms that shall be consistent with the following in all material respects:
 - (i) All rights, benefits, and obligations of Buyer to the Repatriation Assets and operations associated with the Healthcare Businesses shall revert to Sellers, and following such reversion, Sellers shall be the owner and operator of the Repatriation Assets and Healthcare Businesses.
 - (ii) Buyer shall transfer to Sellers to the extent permitted by Law, all rights of Buyer under any Governmental Permits as are necessary to allow the continued operation of the Healthcare Businesses.
 - (iii) Buyer shall assign to Sellers all of Buyer's executory contracts with third parties that are Repatriation Assets, to the extent such contracts are assignable, and Sellers shall assume the same.
 - (iv) Sellers shall offer to employ all employees of Buyer associated with the Healthcare Businesses, including Physicians, on substantially the same terms and conditions as they are then employed under and with the same pay and benefits, and Buyer shall waive, and refrain from enforcing, any covenants or restrictions otherwise applicable to such employees acceptance of such offers from Sellers. Buyer shall further waive, and refrain from enforcing, all restrictive covenants applicable to third parties, including independent contractor Physicians, which would prohibit any such third party from continuing to provide services to the Healthcare Businesses following the closing of the Repatriation Transaction.
 - (v) Buyer shall assign to Sellers 100% of Buyer's equity, membership or control rights with respect to any subsidiaries and joint ventures that are Repatriation Assets.

- (vi) Buyer and Sellers shall use reasonable best efforts to obtain all necessary governmental and third-party authorizations associated with any such Repatriation Transaction within not more than 90 days following execution of definitive documents.
- The Repatriation Assets shall be transferred to Sellers by bill of sale, (vii) deed, assignment and assumption agreement, or other appropriate document of transfer upon payment by Sellers to Buyer of an amount equal to the Repatriation Purchase Price. "Repatriation Purchase Price" means an amount equal to the fair market value of the Repatriation Assets. The fair market value of the Repatriation Assets shall be determined by a nationally recognized independent valuation firm experienced in valuing healthcare assets and operations selected according to the mutual agreement of the parties ("Valuation Firm") and shall take into account the Liabilities assumed and capital investments made by Buyer. If the parties are unable to agree to such Valuation Firm within 20 days following Sellers delivery of the Purchase Notice, then each party shall select a valuation firm, and the valuation firms selected by the parties shall thereafter select the Valuation Firm. Sellers shall pay the Repatriation Purchase Price by wire transfer of immediately available funds at the closing of the Repatriation Transaction. Notwithstanding the foregoing, unless otherwise waived by Sellers, Buyer shall use reasonable best efforts to continue to operate the Healthcare Businesses pursuant to the terms set forth in this Agreement and to cooperate in good faith with Sellers until the Healthcare Businesses are transitioned back Sellers.
 - (c) Each party to the Repatriation Transaction shall bear its own costs and expenses.
 - (d) The terms of this <u>Section 10.6</u> shall survive the Effective Time.
- 10.7 Liquidated Damages. In the event that (a) County brings or initiates any Proceeding, or makes a counterclaim in any Proceeding, challenging the legality of, or alleging the illegality of, County's obligation to indemnify, defend or hold harmless any Buyer Indemnified Party under this Agreement on the basis that County's obligation to indemnify, defend or hold harmless under this Agreement is unconstitutional, infringes upon County's sovereign/governmental immunity or is otherwise not permitted by applicable Law or (b) any third party or Governmental Entity brings or initiates any Proceeding challenging the legality of, or alleging the illegality of, County's obligation to indemnify, defend or hold harmless any Buyer Indemnified Party under this Agreement on the basis that County's obligation to indemnify, defend or hold harmless is unconstitutional, infringes upon County's sovereign/governmental immunity or is otherwise not permitted by applicable Law and, as the final, non-appealable result of such third-party or Governmental Entity Proceeding (or written settlement related thereto), the General Escrow Amount, or any portion thereof, is no longer available as a source of recourse for the Buyer Indemnified Parties (each of the conditions set forth in clauses (a) and (b), a "Liquidated Damages Trigger Event"), then, as a condition and inducement to Buyer's willingness to enter into this Agreement, Sellers shall immediately forfeit any and all of Sellers' rights, title, and interest in and to the then-remaining balance of the General Escrow Amount ("Liquidated Damages Amount"), and all of Sellers' right, title, and interest in and to such Liquidated Damages Amount shall immediately and automatically transfer to Buyer. Within five Business Days after a Liquidated Damages Trigger Event, Buyer and Sellers shall execute and deliver to the Escrow Agent a joint written direction pursuant to the Escrow Agreement instructing the Escrow Agent to disburse the Liquidated Damages Amount to Buyer and if any Seller refuses to sign such joint written direction, Buyer may either sign it on such Seller's behalf or present to the Escrow Agent either (x) with respect to a Liquidated Damages Triggering Event described in clause (a), written evidence of the County initiated Proceeding or counterclaim or (y) with respect to a Liquidated Damages Triggering Event described in clause (b), a copy of the final, nonappealable judgment or settlement, whereupon the Escrow Agent will, pursuant to the Escrow Agreement, disburse the Liquidated Damages Amount to Buyer. Buyer shall have the right to specific performance to enforce

Sellers' obligations under this <u>Section 10.7</u>. This <u>Section 10.7</u> shall not apply, and no Liquidated Damages Trigger Event shall be deemed to have occurred, with respect to any Proceeding other than those described in <u>clauses (a)</u> and <u>(b)</u> above, including any challenge or dispute in which any Seller challenges a specific indemnity obligation of any Seller arising under this Agreement on the basis that (i) a Buyer Indemnified Party has not incurred Damages for which a Seller is obligated to indemnify such Buyer Indemnified Party hereunder, (ii) Sellers dispute the amount of Damages claimed or (iii) Sellers are not contractually obligated to indemnify the applicable Buyer Indemnified Party for such specific indemnity claim under the terms set forth in Article 10.

- 10.8 <u>Specific Performance</u>. The parties hereby acknowledge and agree that (a) the rights of each party to consummate the Transactions, and the covenants of each party contemplated by this Agreement are special, unique and of extraordinary character, (b) if any party violates or fails or refuses to perform any covenant or agreement made by it herein, the non-breaching party or parties would suffer irreparable harm and be without an adequate remedy at law, and (c) except as otherwise expressly provided in this Agreement, if any party violates or fails or refuses to perform any covenant or agreement made by such party herein, the non-breaching party or parties shall, subject to the terms hereof and in addition to any other remedy at law for Damages or other relief, be entitled to specific performance of such covenant or agreement, or to any other equitable relief, all without the requirement of posting bond or proving the inadequacy of monetary Damages.
- 10.9 <u>Exclusive</u>. From and after the Closing, other than claims for equitable relief, which equitable relief claims are nevertheless subject to <u>Section 10.1</u>, or for fraud or intentional misconduct, any claim arising under this Agreement or in connection with or as a result of the Transactions or any Damages or injury alleged to be suffered by any party as a result of the actions or failure to act by any other party shall be governed solely and exclusively by the provisions of this <u>Article 10</u>.

All Pre-Closing Tax Returns for such period shall be marked as "final" to the fullest extent permissible under applicable Law. Any such Pre-Closing Tax Return shall be prepared in a manner consistent with past practice (unless otherwise required by a Law) and without a change of any election or any accounting method and shall be submitted by Sellers to Buyer (together with schedules, statements and, to the extent reasonably requested by Buyer, supporting documentation) for review and comment at least 60 days prior to the due date (including extensions) in the case of Income or franchise Pre-Closing Tax Returns or at least five days prior to the due date (including extensions) in the case of other Pre-Closing Tax Returns. If Buyer objects to any item on any such Pre-Closing Tax Return, Buyer shall notify Sellers in writing within 20 days after Buyer's receipt of such Pre-Closing Tax Return that it so objects, specifying with particularity any such item and stating the specific factual or legal basis for any such objection. If a notice of objection is duly delivered, Buyer and Sellers shall negotiate in good faith and use their commercially reasonable efforts to resolve such items. If Buyer and Sellers are unable to reach such agreement within ten days after receipt by Sellers of such notice, the disputed items shall be resolved by the Independent Accountants and any determination by the Independent Accountants shall be final. The Independent Accountants shall resolve any disputed items within 30 days of having the item referred to it pursuant to such procedures as it may require. If the Independent Accountants are unable to resolve any disputed items before the due date for such PreClosing Tax Return, the Pre-Closing Tax Return shall be filed as prepared by Sellers and then amended to reflect the Independent Accountants' resolution. The costs, fees and expenses of the Independent Accountants shall be borne equally by Buyer and Sellers, except if the Independent Accountants resolves the matter fully in favor of the position of one party, then the other party shall bear all the costs fees and expenses of the Independent Accountants in full.

- Preparation of Straddle Period Returns. Buyer shall prepare, or cause to be prepared, all Tax Returns not described in Section 11.1(a) required to be filed with respect to the Healthcare Businesses after the Closing Date with respect to Straddle Periods ("Straddle Period Returns"), and Buyer and Sellers shall be responsible for their share of the Taxes and costs attributable to such Straddle Period Returns as determined in this Section 11.1(b) and in accordance with the methodology prescribed in Section 11.1(c). Any such Straddle Period Returns shall be prepared in a manner consistent with past practice (unless otherwise required by Law) and without a change of any election or any accounting method and shall be submitted by Buyer to Sellers (together with schedules, statements and, to the extent requested by Sellers, supporting documentation) at least 45 days prior to the due date (including extensions) of such Straddle Period Returns that are in the nature of Income or franchise Tax Returns and at least five days prior to the due date (including extensions) in the case of other Straddle Period Tax Returns. If Sellers object to any item on any such Straddle Period Return, it shall, within ten days after delivery of such Straddle Period Return that is in the nature of an Income or franchise Tax return and at least two days prior to the due date (including extensions) in the case of other Straddle Period Tax Returns, notify Buyer in writing that it so objects, specifying with particularity any such item and stating the specific factual or legal basis for any such objection. If Sellers do not timely provide Buyer with a written notice of objection, Sellers shall be deemed to accept such Straddle Period Return as prepared by Buyer. If Sellers do not timely provide Buyer with a written notice of objection, Sellers shall be deemed to accept such Straddle Period Return as prepared by Buyer. If a written notice of objection is duly delivered, Buyer and Sellers shall negotiate in good faith and use their commercially reasonable efforts to resolve such items. If Buyer and Sellers are unable to reach such agreement within ten days after receipt by Buyer of such notice, the disputed items shall be resolved by the Independent Accountants and any determination by the Independent Accountants shall be final. The Independent Accountants shall resolve any disputed items within 30 days of having the item referred to it pursuant to such procedures as it may require. If the Independent Accountants are unable to resolve any disputed items before the due date for such Straddle Period Return, the Straddle Period Return shall be filed as prepared by Buyer and then amended to reflect the Independent Accountants' resolution. The costs, fees and expenses of the Independent Accountants shall be borne equally by Buyer and Sellers, except if the Independent Accountants resolves the matter fully in favor of the position of one party, then the other party shall bear all of the costs fees and expenses of the Independent Accountants in full. The parties shall allocate the economic responsibility for Taxes in the case of Straddle Period Returns in accordance with the methodology prescribed in Section 11.1(c).
- (c) <u>Tax Methodology</u>. For purposes of this Agreement, in the case of Taxes that are payable with respect to a Straddle Period, the portion of any such Tax that is allocable to the portion of the taxable period ending on the Closing Date shall be:
 - (i) in the case of Taxes that are either (A) based upon or related to income or receipts; or (B) imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible) (other than a Transfer Tax covered by Section 11.1(f)), deemed equal to the amount that would be payable (after giving effect to amounts that may be deducted from or offset against such Taxes) if the taxable period ended on the Closing Date;
 - (ii) in the case of Taxes imposed on a periodic basis or otherwise measured by the level of any item, deemed to be the amount of such Taxes for the entire Straddle Period

(after giving effect to amounts that may be deducted from or offset against such Taxes) (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding period), multiplied by a fraction the numerator of which is the number of days in the period ending on the Closing Date and the denominator of which is the number of days in the entire Straddle Period; and

Sellers shall retain possession of the Tax Returns, schedules and work papers, records and other documents in their possession prior to the Closing Date relating to Tax matters of the Healthcare Businesses.

(e) Tax Proceedings.

- (i) <u>Generally</u>. Each of Buyer, on one hand, and Sellers, on the other hand, shall promptly notify the other in writing upon receipt (including receipt by Affiliates of Buyer or any Seller) of any written notice of any audit or other Proceeding by any Governmental Entity that might be reasonably expected to affect the Tax Liabilities of any party (each, a "**Tax Proceeding**") with respect to any Pre-Closing Tax Period.
- Pre-Closing Tax Proceedings. Sellers shall have the right to control any (ii) Tax Proceeding relating to a taxable period ending on or before the Closing Date. Sellers shall provide Buyer copies of any written correspondence received from the Governmental Entity or provided to the Governmental Entity in respect of such Tax Proceeding and shall allow Buyer reasonable opportunity to participate (at its own cost) in the defense of such audit. Sellers shall consider in good faith any written comments provided by Buyer in respect of such Tax Proceeding. Sellers shall be entitled to settle any such Tax Proceeding without consent of Buyer, except to the extent the settlement of such Tax Proceeding would adversely impact Buyer in the Post-Closing Tax Period, in which case Sellers shall not settle such Tax Proceeding without first obtaining the consent of Buyer, which consent shall not be unreasonably withheld. If Sellers fail to timely take control of a Tax Proceeding relating to a tax period ending on or before the Closing Date, Buyer shall have the right to control such Tax Proceeding, and shall be entitled to settle any such Tax Proceeding without consent of Sellers, except to the extent the settlement of such Tax Proceeding would adversely impact the indemnification obligation of Sellers hereunder, in which case Buyer shall not settle such Tax Proceeding without first obtaining the consent of Sellers, which consent shall not be unreasonably withheld.

- (f) <u>Transfer Taxes</u>. Sellers shall be responsible, at Sellers' sole cost and expense, for the payment of all Transfer Taxes associated with the Transactions, if any, and the filing of Tax Returns in respect of such Transfer Taxes. Notwithstanding anything to the contrary contained herein, the parties hereby acknowledge and agree that Sellers are exempt from Transfer Taxes with respect to the conveyance of the Owned Real Property to Buyer pursuant to the terms hereof, and therefore Buyer shall not be required to pay any such Transfer Taxes in connection with such conveyance of the Owned Real Property to Buyer.
- (g) <u>Tax-Sharing Agreements</u>. All Tax-sharing agreements or similar agreements with respect to or involving NHRMC, the Seller Subsidiaries and Joint Ventures shall be terminated as of the Closing Date, and, after the Closing Date, the Subsidiaries shall not be bound thereby or have any Liability thereunder.

Sellers, at their own cost and expense, shall timely prepare and file any other required reports for the Facilities with respect to any reportable period ending at or before the Effective Time.
- (c) Upon reasonable notice and during normal business office hours, Sellers, at Sellers' expense, shall cooperate with Buyer in regard to Buyer's preparation and filing of the Seller Cost Reports. In the event that Buyer provides personnel pursuant to this Section 11.3(a), Buyer shall be entitled to reimbursement from Sellers for all reasonably incurred out-of-pocket costs and expenses. Buyer shall forward to Sellers any and all correspondence relating to HITECH Payments within 10 Business Days after receipt by Buyer. In the event that there is any state or federal audit related to any attestation or other filing contemplated by this Section 11.3(a), Buyer shall reasonably cooperate with Sellers with respect to any such audit.

- (b) If Buyer or any of its Affiliates receives any HITECH Payment that is an Excluded Asset, Buyer will pay Sellers an amount equal to such HITECH Payments received by Buyer or its Affiliates. Buyer will make all such payments promptly, and in any event within 10 Business Days of receipt of the applicable payments.
- (c) With respect to HITECH Payments for the federal fiscal year in which the Effective Time occurs, the parties agree that (i) such HITECH Payments (including all rights to pursue such payments and/or appeal any decisions regarding such payments) are included in the Assets and shall become the property of Buyer as of the Effective Time; provided, that Buyer agrees to share any HITECH Payments for such federal fiscal year with Sellers on a pro rata basis (based upon the number of days during such federal fiscal year that Sellers operated the Facilities); (ii) Buyer shall remit Sellers' pro rata share of funds relating to such HITECH Payments to Sellers within 10 Business Days after receipt by Buyer; and (iii) to the extent Buyer is required to refund or repay any portion of the HITECH Payments, Sellers shall pay to Buyer Sellers' pro rata portion of the amount of the required refund or repayment within 10 Business Days after Buyer refunds or remits such amount to Medicare or Medicaid, as applicable.
- (d) Subject to Buyer's satisfaction of its obligations under Section 11.3(b), to the extent that Buyer is required to refund or repay any portion of the HITECH Payments, including any amounts related to refunds, penalties or interest, that the Healthcare Businesses receive, or any other amount associated with HITECH Payments that are, or would be, Excluded Assets, Sellers shall pay Buyer 100% of any amounts that Buyer is required to refund or repay within 10 Business Days after Buyer refunds or remits such amount to Medicare or Medicaid, as applicable.

11.4 <u>CMS Reporting, Payment Adjustments and Share Savings/Bundled Payments</u> Reconciliation.

(a) Following the Effective Time, Sellers shall cooperate with Buyer in all reasonable respects in providing pre-Closing documents or data that Buyer reasonably believes are necessary or appropriate to file with respect to CMS Reporting for the federal fiscal year in which the Effective Time occurs and any subsequent federal fiscal year. Sellers shall forward to Buyer any and all

correspondence from CMS relating to CMS Reporting for such federal fiscal years within 10 Business Days after receipt by a Seller.

- (b) To the extent Buyer, a Facility or any Material Affiliation incurs a penalty or reduction in fees paid by CMS for hospital or Physician services based on CMS Reporting (or failure to report) for services rendered by any Seller before the Effective Time, then Sellers shall pay to Buyer the payment differential attributable to such reduction in fees paid under CMS Reporting within 10 Business Days after notice to Sellers of such amount due.
- (c) To the extent Buyer, a Facility or any Material Affiliation is required to refund, reimburse or repay any portion of an increased Medicare payment or Medicaid payment based on CMS Reporting or any portion of a CMS Reporting bonus paid to any Seller before the Effective Time, then Sellers shall pay to Buyer the amount of the required refund, reimbursement or repayment within 10 Business Days after Buyer refunds, reimburses or remits such amount to Medicare or Medicaid, as applicable.
- (d) To the extent Buyer, a Facility or any Material Affiliation is required to submit any payment to any Government Program or any participant participating with Seller in any bundled payment or shared savings program, Sellers shall pay Buyer the amount of the required payment within 10 Business Days after Buyer remits such amount to any Government Program or any participant, as applicable.
- (e) Notwithstanding the foregoing, nothing in this Agreement shall require Buyer to prepare, file or otherwise participate in any Government Program or Private Program appeal relating to the operations of Sellers, Material Affiliations or the Facilities before the Effective Time.
- 11.5 <u>Waiver Program Payments</u>. Buyer and Sellers shall prorate any payments received by the Facilities after the Effective Time under waiver or supplemental payment programs as follows:

- (c) Any such amounts that correspond to the federal fiscal year during which the Effective Time occurs will be allocated between Buyer and Sellers on a pro rata basis (based upon the number of days during such year that Sellers operate the Facilities and the number of days during such year that Buyer operates the Facilities).
- 11.6 <u>Compliance Matters</u>. Following the Effective Time, if any compliance matter is identified by a party, whether through internal audit or otherwise, for which another party may bear responsibility or exposure (a "**Compliance Matter**"), such party shall provide prompt written notice to such other party (and such other party's parent organization, if applicable). Because any such Compliance Matter may impact Buyer and Sellers, the parties acknowledge that both Buyer and Sellers shall have a common interest in fully resolving all such Compliance Matters and cooperating in good faith to do so. To the extent necessary to preserve attorney-client privilege and attorney-work-product doctrine relating to the investigation or resolution of any Compliance Matter, the parties agree that a common interest privilege shall exist with respect to any communications relating to the investigation and resolution of the Compliance Matter and, to the extent necessary and requested by any party or its counsel, the parties and their respective counsel shall enter into a written agreement to memorialize this

common interest privilege existing among them relating to the Compliance Matter. The parties will thereafter cooperate reasonably with each other in any internal investigations or audits and shall make available to the other, as reasonably requested, any and all relevant information and, further, shall provide personnel as may be necessary and appropriate for purposes of analyzing and resolving such Compliance Matter. In order to ensure the accuracy of any report of any compliance issue to a third party, the parties agree that Sellers shall not make any such report or disclosure to, or in respect of, any federally funded or state-funded healthcare program, including Medicare, Medicaid, TRICARE, NC Health Choice or with any Third-Party Payor with respect to any Compliance Matter that might give rise to any Liability of Buyer, any Facility or any Material Affiliation without at least 30 days' prior written notice to, and participation and approval of the report by, Buyer, such approval not to be unreasonably withheld, conditioned or delayed. Buyer may determine in its sole discretion whether or not a self-report is required, whether or not to self-report and whether or not to repay funds related to a Compliance Matter has been directed to report such Compliance Matter of a type contemplated by this Section 11.6. In the event that Buyer submits a self-disclosure of any Compliance Matter in accordance with the terms and provisions of Section 11.6 to any Governmental Entity, such self-disclosure shall be submitted, and any resulting settlement with such Governmental Entity shall be negotiated and finalized, as determined by Buyer in its sole discretion. All parties agree to cooperate fully and in good faith as necessary in the resolution of all Compliance Matters, and Buyer and Sellers shall each bear their own expenses in connection therewith.

Sellers shall execute, acknowledge and deliver to Buyer any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Buyer at any time and shall take any and all other actions reasonably requested by Buyer at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Buyer the Assets. After the Closing, the parties agree to reasonably cooperate with each other and take such further actions as may be necessary, appropriate or desirable to effectuate, carry out and comply with all of the terms of this Agreement, the other Transaction Documents and the Transactions.
- Assignment; Successors and Assigns. No party may assign this Agreement or any of such party's rights, duties, or obligations hereunder to any Person without the prior written consent of the other parties; provided, however, that Buyer may assign this Agreement and the other Transaction Documents, and any of Buyer's rights, duties, or obligations hereunder or thereunder, to (a) one or more of Buyer's Affiliates without the requirement of consent (provided, that (i) Buyer shall remain primarily liable to Sellers hereunder and no such assignment shall relieve Buyer of its obligations hereunder and (ii) Buyer shall provide Sellers with written notice of such assignment), or (b) for collateral security purposes, to provide financing to Buyer or any of its Affiliates. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties; provided, however, that no party may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties.

12.3 Governing Law; Jurisdiction.

(a) This Agreement shall be governed by and construed and enforced in accordance with the Laws of the State of North Carolina as applied to contracts made and performed within the State of North Carolina without application of any conflicts-of-law principles. The parties hereby waive their right to claim in any Proceeding involving this Agreement, any other Transaction Document or the Transactions that the Law of any jurisdiction other than the State of North Carolina shall apply to such

dispute; and the parties hereby covenant that they shall assert no such claim in any dispute arising under this Agreement, any other Transaction Document or the Transactions.

- (b) Each party absolutely and unconditionally waives, to the fullest extent permitted by Law, any and all rights to trial by jury in connection with any Proceeding arising out of or relating to this Agreement, any other Transaction Document or the Transactions.
- The parties agree that jurisdiction and venue in any Proceeding brought by any party in connection with this Agreement, any other Transaction Document or the Transactions, or the performance of the obligations imposed hereunder or thereunder (each, an "Action") shall properly and exclusively lie in the North Carolina General Court of Justice; provided, however, that the parties agree and consent to designate any such Action as a complex business case to be assigned to a special superior court judge of the North Carolina Business Court to the fullest extent permitted by N.C. Gen. Stat. § 7A-45.4, General Rules of Practice 2.1 and 2.2, and the North Carolina Business Court Rules. Each party also agrees not to bring any such Action in any other court and not to bring any such Action without designating such Action as a complex business court case pursuant to this Section 12.3(c). By execution and delivery of this Agreement, each party irrevocably submits to the jurisdiction of such courts with respect to any such Action. The parties irrevocably agree that venue would be proper in any such court, and hereby waive any objection that any such court is an improper or inconvenient forum for the resolution of such Action. The parties further agree that the mailing by certified or registered mail, return receipt requested, of any process required by any such court shall constitute valid and lawful service of process against them, without necessity for service by any other means provided by statute or rule of court.
- 12.4 <u>Amendments</u>. This Agreement may not be amended other than by written instrument signed by the parties and Novant Health. No joint written direction pertaining to the Escrow Account may be signed by Buyer without the approval of Novant Health.

12.5 Exhibits and Disclosure Schedules.

- (a) The Disclosure Schedules and all Exhibits referred to in this Agreement shall be attached hereto and are incorporated by reference herein.
- (b) From the Effective Date until the Closing, Sellers may update any information in the Disclosure Schedules as necessary to reflect matters first arising during the course of conducting the Healthcare Businesses after the Effective Date (any such update, a "Schedule Update") and Sellers will provide any documents related to such Schedule Updates promptly with the Schedule Updates. Unless Buyer notifies Sellers before the earlier of the Closing Date or the date that is ten days after Sellers deliver a Schedule Update and applicable documents related to such Schedule Update that the information contained in such Schedule Update has had or would reasonably be expected to have a materially detrimental effect on the Healthcare Businesses, then such Schedule Update shall be deemed to have amended the appropriate section(s) of the Disclosure Schedules as of the Effective Date; provided, however, that the foregoing shall not apply to Schedule Updates with respect to the Assumed Contracts Schedules listed in Section 9.4, which shall be governed by Section Error! Reference source not found. No information contained in any Schedule Update shall have any effect for the purpose of determining whether the conditions set forth in Articles 6 and 7 have been satisfied. Sellers may also update any writing provided to Buyer pursuant to Article 2 in accordance with the mechanism set forth above in this Section 12.5 with respect to the updating of the Disclosure Schedules.

This Escrow Agreement expressly and exclusively sets forth the duties of the Escrow Agent with respect to any and all matters pertinent hereto, which duties shall be deemed purely ministerial in nature, and no implied duties or obligations shall be read into this Escrow Agreement against the Escrow Agent. The Escrow Agent shall in no event be deemed to be a fiduciary to any Party or any other person or entity under this Escrow Agreement. The permissive rights of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as duties. In performing its duties under this Escrow Agreement, or upon the claimed failure to perform its duties, the Escrow Agent shall not be liable for any damages, losses or expenses other than damages, losses or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Escrow Agent's willful misconduct, bad faith, fraud, material breach of this Escrow Agreement or gross negligence. In no event shall the Escrow Agent be liable for incidental, indirect, special, consequential or punitive damages of any kind whatsoever (including but not limited to lost profits), even if the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. The Escrow Agent shall not be responsible or liable for the failure of any Party to take any action in accordance with this Escrow Agreement. Any wire transfers of funds made by the Escrow Agent pursuant to this Escrow Agreement will be made subject to and in accordance with the Escrow Agent's usual and ordinary wire transfer procedures in effect from time to time. The Escrow Agent shall have no liability with respect to the transfer or distribution of any funds affected by the Escrow Agent pursuant to wiring or transfer instructions provided to the Escrow Agent in accordance with the provisions of this Escrow Agreement. The Escrow Agent shall not be obligated to take any legal action or to commence any proceedings in connection with this Escrow Agreement or any property held hereunder or to appear in, prosecute or defend in any such legal action or proceedings.
- 2.2. The Parties acknowledge and agree that the Escrow Agent acts hereunder as a depository only, and is not responsible or liable in any manner whatsoever for the sufficiency, correctness, genuineness or validity of the subject matter of this Escrow Agreement or any part thereof, or of any person executing or depositing such subject matter. No provision of this Escrow Agreement shall require the Escrow Agent to risk or advance its own funds or otherwise incur any financial liability or potential financial liability in the performance of its duties or the exercise of its rights under this Escrow Agreement.
- 2.3. This Escrow Agreement constitutes the entire agreement between the Escrow Agent and the Parties in connection with the subject matter of this Escrow Agreement, and no other agreement entered into between the Parties, or any of them, including, without limitation, the Purchase Agreement, shall be considered as adopted or binding, in whole or in part, upon the Escrow Agent notwithstanding that any such other agreement may be deposited with the Escrow Agent or the Escrow Agent may have knowledge thereof.
- 2.4. The Escrow Agent shall in no way be responsible for, nor shall it be its duty to notify any Party or any other person or entity interested in this Escrow Agreement of, any payment required or

maturity occurring under this Escrow Agreement or under the terms of any instrument deposited herewith unless such notice is explicitly provided for in this Escrow Agreement.

- 2.5. The Escrow Agent shall be protected in acting upon any written instruction, notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document that the Escrow Agent in good faith believes to be genuine and what it purports to be, including, but not limited to, items directing investment or non-investment of funds, items requesting or authorizing release, disbursement or retainage of the subject matter of this Escrow Agreement and items amending the terms of this Escrow Agreement. The Escrow Agent shall be under no duty or obligation to inquire into or investigate the validity, accuracy or content of any such notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document. The Escrow Agent shall have no duty or obligation to make any formulaic calculations of any kind hereunder.
- 2.6. The Escrow Agent may execute any of its powers and perform any of its duties hereunder directly or through affiliates or agents. The Escrow Agent shall be entitled to seek the advice of legal counsel with respect to any matter arising under this Escrow Agreement and the Escrow Agent shall have no liability and, subject to Sections 2.1, 2.8 and 4.4, shall be fully protected with respect to any action taken or omitted pursuant to the advice of such legal counsel. The Parties shall be jointly and severally liable for and shall promptly pay upon demand by the Escrow Agent the reasonable and documented fees and expenses of any such legal counsel.
- 2.7. In the event of any disagreement between any of the Parties, or between any of them and any other person or entity, resulting in adverse claims or demands being made in connection with the matters covered by this Escrow Agreement, or in the event that the Escrow Agent, in good faith, is in doubt as to what action it should take hereunder, the Escrow Agent may, at its option, refuse to comply with any claims or demands on it, or refuse to take any other action hereunder, so long as such disagreement continues or such doubt exists, and in any such event, the Escrow Agent shall not be or become liable in any way or to any Party or other person or entity for its failure or refusal to act, and the Escrow Agent shall be entitled to continue to refrain from acting until (i) the rights of the Parties and all other interested persons and entities shall have been fully and finally adjudicated by a court of competent jurisdiction or (ii) all differences shall have been settled and all doubt resolved by agreement among all of the Parties and all other interested persons and entities, and the Escrow Agent shall have been notified thereof in writing signed by the Parties and all such persons and entities. Notwithstanding the preceding, (a) the Escrow Agent may in its discretion obey the order, judgment, decree or levy of any court, whether with or without jurisdiction, or of an agency of the United States or any political subdivision thereof, or of any agency of any State of the United States or of any political subdivision of any thereof, and the Escrow Agent is hereby authorized in its sole discretion to comply with and obey any such orders, judgments, decrees or levies and (b) the Escrow Agent shall comply with any direction or Joint Written Instruction provided under Section 10.7 of the Purchase Agreement. The rights of the Escrow Agent under this subparagraph are cumulative of all other rights which it may have by law or otherwise.

In the event of any disagreement or doubt, as described above, the Escrow Agent shall have the right, in addition to the rights described above and at the election of the Escrow Agent, to tender into the registry or custody of any court having jurisdiction, all funds and property held under this Escrow Agreement, and the Escrow Agent shall have the right to take such other legal action as may be appropriate or necessary, in the sole discretion of the Escrow Agent. Upon such tender, the Parties agree that the Escrow Agent shall be discharged from all further duties under this Escrow Agreement; *provided*, *however*, that any such action of the Escrow Agent shall not deprive the Escrow Agent of its compensation and right to reimbursement of expenses hereunder arising prior to such action and discharge of the Escrow Agent of its duties hereunder.

2.8. The Parties jointly and severally, and with respect to the County, solely to the extent permitted under applicable law, agree to indemnify, defend and hold harmless the Escrow Agent and each of the Escrow Agent's officers, directors, agents and employees (the "Indemnified Parties") from and against any and all losses, liabilities, claims made by any Party or any other person or entity, damages, reasonable and documented out-of-pocket expenses and costs (including, without limitation, reasonable and documented attorneys' fees and expenses) of every nature whatsoever (collectively, "Losses") that any such Indemnified Party may incur and that arise

directly or indirectly from this Escrow Agreement or that arise directly or indirectly by virtue of the Escrow Agent's undertaking to serve as Escrow Agent hereunder; *provided*, *however*, that no Indemnified Party shall be entitled to indemnity with respect to Losses that have been finally adjudicated by a court of competent jurisdiction to have been directly caused by such Indemnified Party's gross negligence, bad faith, fraud, material breach of this Escrow Agreement or willful misconduct. The provisions of this section shall survive the termination of this Escrow Agreement and any resignation or removal of the Escrow Agent.

- 2.9. Any entity into which the Escrow Agent may be merged or converted or with which it may be consolidated, or any entity to which all or substantially all the escrow business of the Escrow Agent may be transferred, shall be the Escrow Agent under this Escrow Agreement without further act.
- 2.10. The Escrow Agent may resign at any time from its obligations under this Escrow Agreement by providing written notice to the Parties. Such resignation shall be effective on the date set forth in such written notice, which shall be no earlier than thirty (30) days after such written notice has been furnished. In such event, the Parties shall promptly appoint a successor escrow agent. In the event no successor escrow agent has been appointed on or prior to the date such resignation is to become effective, the Escrow Agent shall be entitled to tender into the custody of any court of competent jurisdiction all funds and other property then held by the Escrow Agent hereunder and the Escrow Agent shall thereupon be relieved of all further duties and obligations under this Escrow Agreement; provided, however, that any such action of the Escrow Agent shall not deprive the Escrow Agent of its compensation and right to reimbursement of expenses hereunder arising prior to such action and discharge of the Escrow Agent of its duties hereunder. The Escrow Agent shall have no responsibility for the appointment of a successor escrow agent hereunder.
- 2.11 The Escrow Agent and any director, officer or employee of the Escrow Agent may become financially interested in any transaction in which any of the Parties may be interested and may contract with and lend money to any Party and otherwise act as fully and freely as though it were not escrow agent under this Escrow Agreement. Nothing herein shall preclude the Escrow Agent from acting in any other capacity for any Party.

III. Compensation of Escrow Agent

3.1. The Parties jointly and severally agree to pay to the Escrow Agent compensation, and to reimburse the Escrow Agent for costs and expenses, all in accordance with the provisions of Exhibit B hereto, which is incorporated herein by reference and made a part hereof. The fees agreed upon for the services rendered hereunder are intended as full compensation for the Escrow Agent's services as contemplated by this Escrow Agreement; provided, however, that in the event that the conditions for the disbursement of funds are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement or any material modification hereof, or if any dispute or controversy arises hereunder, or the Escrow Agent is made a party to any litigation pertaining to this Escrow Agreement or the subject matter hereof, then the Parties jointly and severally agree to compensate the Escrow Agent for such extraordinary services and reimburse the Escrow Agent for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such event. In the event the Escrow Agent is authorized to make a distribution of funds to any Party (or at the direction of any Party) pursuant to the terms of this Escrow Agreement, and fees or expenses are then due and payable to the Escrow Agent pursuant to the terms of this Escrow Agreement (including, without limitation, amounts owed under this Section 3.1 and Section 2.8) by the Party receiving or directing such distribution, the Escrow Agent is authorized to offset and deduct such amounts due and payable to it from such distribution. The Escrow Agent shall have, and is hereby granted, a prior lien upon and first priority security interest in the Escrow Fund (and the earnings and interest accrued thereon) with respect to its unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights, superior to the interests of any other persons or entities and without judicial action to foreclose such lien and security interest, and the Escrow Agent shall have and is hereby granted the right to set off and deduct any unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights from the Escrow Fund (and the earnings and interest accrued thereon); provided, however, that Escrow Agent shall give not less than 10 days' notice to the other Parties prior to exercising such right of set off. The provisions of this section shall survive the termination of this Escrow Agreement and any resignation or removal of the Escrow

Agent. Notwithstanding anything to the contrary in this <u>Section 3.1</u>, solely as between Buyer and Sellers, responsibility for Escrow Agent's fees and expenses shall be as set forth in the Purchase Agreement.

IV. Miscellaneous

- 4.1. The Escrow Agent shall make no disbursement, investment or other use of funds until and unless it has collected funds. The Escrow Agent shall not be liable for collection items until the proceeds of the same in actual cash have been received or the Federal Reserve has given the Escrow Agent credit for the funds.
- 4.2. The Escrow Agent shall invest all funds held pursuant to this Escrow Agreement in the SunTrust Institutional Preferred Deposit Option. The investments in the SunTrust Institutional Preferred Deposit Option are insured, subject to the applicable rules and regulations of the Federal Deposit Insurance Corporation (the "FDIC"), in the standard FDIC insurance amount of \$250,000, including principal and accrued interest, and are not secured. The SunTrust Institutional Preferred Deposit Option is more fully described in materials which have been furnished to the Parties by the Escrow Agent, and the Parties acknowledge receipt of such materials from the Escrow Agent. Instructions to make any other investment must be in writing and signed by each of the Parties. The Parties recognize and agree that the Escrow Agent will not provide supervision, recommendations or advice relating to the investment of moneys held hereunder or the purchase, sale, retention or other disposition of any investment, and the Escrow Agent shall not be liable to any Party or any other person or entity for any loss incurred in connection with any such investment. The Escrow Agent is hereby authorized to execute purchases and sales of investments through the facilities of its own trading or capital markets operations or those of any affiliated entity. The Escrow Agent or any of its affiliates may receive compensation with respect to any investment directed hereunder including without limitation charging any applicable agency fee in connection with each transaction. The Escrow Agent shall use its best efforts to invest funds on a timely basis upon receipt of such funds; provided, however, that the Escrow Agent shall in no event be liable for compensation to any Party or other person or entity related to funds which are held uninvested or funds which are not invested timely. The Escrow Agent is authorized and directed to sell or redeem any investments as it deems necessary to make any payments or distributions required under this Escrow Agreement. Any investment earnings and income on the Escrow Fund shall become part of the Escrow Fund and shall be disbursed in accordance with this Escrow Agreement.
- 4.3 The Escrow Agent shall provide monthly reports of transactions and holdings to the Parties as of the end of each month, at the addresses provided by the Parties in <u>Section 4.5</u>.
- 4.4 The Parties agree that all interest and income from the investment of the funds shall be reported as having been earned by Sellers as of the end of each calendar year whether or not such income was disbursed during such calendar year and to the extent required by the Internal Revenue Service. On or before the execution and delivery of this Escrow Agreement, each of the Parties shall provide to the Escrow Agent a correct, duly completed, dated and executed current United States Internal Revenue Service Form W-9 or Form W-8, whichever is appropriate or any successor forms thereto, in a form and substance satisfactory to the Escrow Agent including appropriate supporting documentation and/or any other form, document, and/or certificate required or reasonably requested by the Escrow Agent to validate the form provided. Notwithstanding anything to the contrary herein provided, except for the delivery and filing of tax information reporting forms required pursuant to the Internal Revenue Code of 1986, as amended, to be delivered and filed with the Internal Revenue Service by the Escrow Agent, as escrow agent hereunder, the Escrow Agent shall have no duty to prepare or file any Federal or state tax report or return with respect to any funds held pursuant to this Escrow Agreement or any income earned thereon. With respect to the preparation, delivery and filing of such required tax information reporting forms and all matters pertaining to the reporting of earnings on funds held under this Escrow Agreement, the Escrow Agent shall be entitled to request and receive written instructions from the Parties, and the Escrow Agent shall be entitled to rely conclusively and without further inquiry on such written instructions. The Parties, jointly and severally, and with respect to the County, solely to the extent permitted under applicable law, agree to indemnify, defend and hold the Escrow Agent harmless from and against any tax, late payment, interest, penalty or other cost or

expense that may be assessed against the Escrow Agent on or with respect to the Escrow Fund or any earnings or interest thereon unless such tax, late payment, interest, penalty or other cost or expense was finally adjudicated by a court of competent jurisdiction to have been directly caused by the gross negligence, bad faith, fraud, material breach of this Escrow Agreement or willful misconduct of the Escrow Agent. The indemnification provided in this section is in addition to the indemnification provided to the Escrow Agent elsewhere in this Escrow Agreement and shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

4.5. Any notice, request for consent, report, or any other communication required or permitted in this Escrow Agreement shall be in writing and shall be deemed to have been given when delivered (i) personally, (ii) by electronic mail to the e-mail address given below, and written confirmation of receipt is obtained promptly after completion of the transmission, (iii) by overnight delivery with a reputable national overnight delivery service or (iv) by United States mail, postage prepaid, or by certified mail, return receipt requested and postage prepaid, in each case to the appropriate address set forth below or at such other address as any party hereto may have furnished to the other parties hereto in writing:

The Legal Review Fee includes review of all related documents and accepting the appointment of Escrow Agent on behalf of Truist Bank. The fee also includes setting up the required account(s) and accounting records, document filing, and coordinating the receipt of funds/assets for deposit to the Escrow Account. This is a one-time fee payable upon execution of the Escrow Agreement. Administration Fee: \$2,500 – payable at the time of signing the Escrow Agreement and on the anniversary date thereafter, if applicable

The Administration Fee includes providing routine and standard services of an Escrow Agent. Out-of-pocket expenses such as, but not limited to, postage, courier, overnight mail, wire transfer, travel, legal (out-of-pocket to counsel) or accounting, will be billed at cost.

EXHIBIT C

Use of Net Proceeds

The Purchase Price, the Cash Amount, any interest accruing on Sellers' portion of the Adjustment Escrow Amount or General Escrow Amount, any portion of the Adjustment Escrow Amount paid to Sellers, and any remaining portion of the General Escrow Amount paid to Sellers following the expiration of the Escrow Period (collectively, the "**Net Proceeds**") will be used, distributed, directed, invested, or allocated in accordance with the terms set forth in this Exhibit C.

- 1. <u>Initial Allocations</u>. Out of the aggregate Net Proceeds, the Sellers shall make initial allocations at Closing as follows (the "**Initial Allocations**"):
- General Escrow and Adjustment Escrow Amounts. \$100 Million will deposited into the General Escrow Account for a 48-month period to address certain trailing liabilities associated with pre-Closing operations of the Healthcare Businesses. On the second anniversary of the Closing, an amount equal to (i) \$75,000,000 minus (ii) all amounts released from the General Escrow Account before such time, minus (iii) an amount equal to the amount in controversy with respect to any then-pending claims shall be disbursed to Sellers. Upon the fourth anniversary of the Closing, all amounts remaining in the General Escrow Account shall be disbursed to Sellers, provided, however, that, the General Escrow Account shall continue to retain an amount equal to the amount in controversy with respect to any then-pending claims. Any portion of the General Escrow Amount accruing to Sellers shall be allocated to the Endowment and NHRMC Foundation, with the Endowment and NHRMC Foundation each receiving 50% of such amount. In addition, in conjunction with the reconciliation of the Net Working Capital adjustments, an amount equal to \$35 Million will be placed into the Adjustment Escrow Amount, to be used to address any payment owed by the Sellers, if any, related to the Net Working Capital reconciliation adjustments. Any amount remaining from the Adjustment Escrow Amount will be distributed to the Endowment.
- (b) <u>NHRMC Transition Stabilization Escrow</u>. Funds in the aggregate estimated amount of approximately \$200 Million shall be deposited into an escrow account or reserve fund established and controlled by the successor to NHRMC to address transition stabilization initiatives associated with post-Closing matters, including, but not limited to:
- i. A Team Investment and Resiliency Fund providing funds necessary to (1) administer NHRMC's existing pension plan following its transfer to the County, (2) provide for certain payments to be made, over time, to affected NHRMC employees to mitigate adverse impacts associated with such employees' transition from NHRMC's existing pension plan to Buyer's retirement benefits plan, (3) provide stabilization payments for NHRMC employees to facilitate the transition of the Business from Sellers to Buyer, and (4) address the staff and provider resiliency funding needs of the organization.
 - ii. Payments for tail insurance associated with terminated Seller policies.

- iii. Funding for certain support administrative services necessary to facilitate the wind-down of NHRMC, as well as other miscellaneous costs and expenses associated with the transition and wind-down (e.g., trailing cost report matters, filings, etc.).
- (c) <u>County Revenue Stabilization Fund</u>. Funds in the aggregate amount of \$300 Million shall be deposited into a reserve fund or escrow account established and controlled by the County for revenue stabilization purposes. Such funds may be allocated toward County revenue stabilization initiatives upon the affirmative vote of the County Commissioners. Revenue stabilization initiatives may include:
 - i. Retirement of voter and non-voter approved debt;
 - ii. Establish pay-as-you-go financing for certain capital assets and projects;
 - iii. Reserve for unexpected emergency spending needs (e.g. natural disasters and pandemics);
 - iv. Reserve funds to address budget shortfalls during economic downturns; and
 - v. Minimization of tax and fee increases in future years.
 - (d) Distributions from the Revenue Stabilization Fund shall be made from interest earned on such funds, and any draw-downs from the principal of the Revenue Stabilization Fund shall only be for specifically defined purposes and shall be made only upon the vote of at least four out of five County Commissioners.
- 2. <u>Mental and Behavioral Health and Substance Use Disorder Treatment Fund</u>. Funds in the amount of \$50 Million shall be earmarked and allocated to the following mental and behavioral health and substance use disorder treatment initiatives:
 - (a) Capital funding for long-term, residential substance abuse treatment programs;
- (b) Sustained grant funding commitments to support evidence-based programs (e.g., Tides, Inc.); and
 - (c) Expanding access to mental health services independent of state assistance.

3. Endowment Allocations.

- (a) <u>Fund Assets</u>. Following the Initial Allocations, the Sellers shall grant the entirety of the remaining Net Proceeds, which remaining amount is currently estimated to be approximately \$1.25 Billion (subject to adjustments) ("**Fund Assets**"), to the Endowment.
- (b) <u>Purpose</u>. The Endowment shall manage the assets and consider as such sacred and protected for the community in perpetuity. The Endowment will provide financial support to

benefit the residents of New Hanover County and region ("**Defined Beneficiaries**"). The Endowment will establish an endowment (as defined below), and the Endowment shall be designated to provide financial support in the following areas in furtherance of the mission and initiatives of the County: (1) public primary, secondary, and post-secondary education, (2) health and social equity, (3) community development, and (4) community safety. Except for those monies required for the administration of the Endowment, all other Fund Assets shall be allocated to the Endowment.

- (c) <u>Endowment Board of Directors</u>. The Endowment will be governed by an 11-member Board of Directors ("**Endowment Board**"). The County Commissioners shall appoint five of the directors ("**Endowment Directors**") and the Local Board shall appoint six of the Endowment Directors. All Endowment Directors shall be subject to satisfaction of applicable governance best practices, core competencies, and diversity considerations. No Endowment Director may simultaneously hold an elected office. Routine actions of the Endowment Board shall require the vote of a majority of the Endowment Board. Amendments to Article IV of the Endowment's bylaws shall each require supermajority approval of the Endowment Board, which shall be defined as not less than 67% of the Endowment Board ("**Supermajority Vote**"). The Endowment shall not assign, transfer or otherwise convey any Endowment assets except as defined herein.
- (d) <u>Administration and Fund Management</u>. The daily operations of the Endowment shall be overseen by the Endowment Board. The Fund Assets shall be invested under the supervision and management of an experienced institutional investment manager ("**Investment Manager**") chosen by the Endowment Board, which Investment Manager role may, but does not have to be, contracted through a third-party firm.

(e) Endowment.

- (i) In conjunction with its formation, the Endowment will establish a single endowment consisting initially of the Fund Assets. In addition to the Fund Assets contributed by the Sellers, the Endowment may also accept donations. The Endowment will make annual Unitrust payments not to exceed 4% of the fair market value of the Endowment, based upon a rolling five year average of the fair market value as of December 31 for the prior five (5) years, or until 2025, for as many prior years as the Endowment has existed. - (b) The Endowment shall, twice a year, publicly provide the County with report summarizing the Endowment's activities and grants.
- (c) With the exception of the appointment authority for the Endowment Directors and the limited approval requirements explicitly set forth herein, the Local Board shall not, nor shall any other third-party, have any reserved powers or governance rights or benefits associated with the Endowment. The POA shall require that the individual provide an acceptable and complete accounting to the Endowment, submitted and signed under penalty of perjury. Further, the misuse of the funds by any person, or the failure of the responsible person to provide a complete accounting within six months after the end of the year in which the Fund Distribution occurred, may result in both civil and criminal penalties.

MANAGEMENT OF THE COMPANY

Section 6.1 <u>Management of the Company</u>. Subject to <u>Section 6.3</u>, the powers of the Company shall be exercised by or under the authority of, and the business and affairs of the Company shall be managed under the direction of, a board of managers (the "**Board of Managers**") described herein.

Section 6.2 **Board of Managers; Number and Election of Managers; Terms**.

- (a) The Board of Managers shall consist of 17 managers (each, a "Manager").
 - (b) The Board of Managers shall comprise:
 - (i) Twelve Community Managers, at least three of whom must be Physician Managers; and
 - (ii) five At-Large Managers; <u>provided</u>, <u>however</u>, that one At-Large Manager shall be the Brunswick Manager; one At-Large Manager shall be the CHA Manager; and, while the New Hanover Academic and Clinical Affiliation Agreement (as defined in the Purchase Agreement) is in effect, one At-Large Manager shall be the UNC Manager.
- (c) Each initial Manager shall serve an initial term, and be eligible for reappointment, as set forth in Section 6.2(f). All subsequent Managers shall serve for three-year terms; provided, however, in the case of a Manager appointed to fill the term of a Manager who has resigned or been removed, such replacement Manager will fill the remainder of the term of the Manager he or she is replacing; and, provided, further, in the case of any individual who has met or will meet a term limitation with respect to his or her service on the New Hanover Regional Medical Center ("NHRMC") Board of Trustees in 2021, such individual shall not be eligible to serve as a Manager until a two-year break has occurred between (i) the date he or she has reached, or would have reached, such NHRMC board limitation in 2021 and (ii) the date he or she will qualify to serve as a Manager.
- (d) Except with respect to the Brunswick Manager, CHA Manager, and UNC Manager, after a Manager has served three consecutive terms, or, with respect to the initial Managers, after each such initial Manager has served for the maximum consecutive terms forth in Section 6.2(f), such Manager shall not be eligible for reappointment until such Manager has had a two-year break in service.

Except with respect to the UNC Manager, Brunswick Manager and CHA Manager, the Board of Managers shall retain the sole power and authority to select, nominate, terminate and appoint all subsequent Managers to the Board of Managers (including filling any vacancies) and, in so doing, shall ensure that the composition of the Board of Managers, taken as a whole, is materially representative, measured by demographic factors such as race, ethnicity and sex or sexual orientation, of the Service Area's resident population served by the Healthcare Businesses; provided, that such appointments shall be subject to ratification by the Novant Board, which such ratification shall not be unreasonably withheld, conditioned or delayed. In the event the Novant Board fails to ratify any appointment made by the Board of Managers, then the Board of Managers shall select, nominate and appoint a new proposed Manager to be submitted for ratification by the Novant Board. All Managers shall be selected subject to a prospective candidate's satisfaction of governance best practices and core competencies, which shall include advocacy and public interest; social services and community outreach; financing and investing; accounting, executive leadership; marketing and communications; strategy, planning and consulting; information systems and technology; human resources; quality and safety, and law and regulation, as such standards may be modified from time to time by the Board of Managers subject to Novant Board ratification.

- (e) The rights accruing to each Covered Person under this <u>Section 6.15</u> will not exclude any other right to which he or she may be lawfully entitled.
- (f) If the Act or other applicable law is hereafter amended to eliminate or limit the personal liability of Managers or officers, then the liability of a Covered Person shall be eliminated or limited to the fullest extent permitted by the Act or other applicable law. No amendment, termination or other elimination of this Section 6.15 or of any relevant provision of the Act or of any other applicable law will affect or diminish in any way the rights to indemnification under this Section 6.15 with respect to any claim arising out of, or relating to, any event or act or omission occurring or fact or circumstance existing before the amendment, termination or other elimination.
- (g) All rights to indemnification under this <u>Section 6.15</u> shall continue as to a Person who has ceased to be a Manager, officer, employee, representative or agent of the Company, shall inure to the benefit of the heirs, executors, administrators and the estate of that Person and shall be deemed to be a Contract between the Company, on the one hand, and each such Person, on the other hand. This <u>Section 6.15</u> shall be binding upon any successor to the Company whether by way of merger, consolidation, liquidation, dissolution or otherwise.
- (h) If this <u>Section 6.15</u> or any portion of it is invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify Persons specified in this <u>Section 6.15</u> to the fullest extent permitted by any applicable portion of this <u>Section 6.15</u> that has not been invalidated and to the fullest extent permitted by applicable law.
- Section 6.16 <u>Conference Telephone Meetings</u>. Meetings of the Board of Managers may be held by means of conference telephone or similar communications equipment so long as all Persons participating in the meeting can hear each other. Participation in a meeting by means of conference telephone shall constitute presence in person at such meeting, except where a

The appointing bodies will equally consider a range of professional and life experiences of its appointees to include prior service to the community, effective governance for public and private corporations, and stewardship of resources to include all forms of community and organizational assets. Competencies of every board member and candidate should include, but may not be limited to:

- (b) Shared governance responsibilities with a demonstrated capacity to work collaboratively with a group that is purposely constructed to represent the community in all manners possible.
- (c) Demonstrated professionalism in the individuals' chosen careers or volunteerism that meets the high standard and conduct of what is expected and becoming for persons serving the public and community at large.
- (d) Commitment to the values and principles of the Endowment itself including a commitment to advancing the complicated work of the Endowment, the ability to represent positively and effectively the work of the Endowment, and a passion for helping solve intractable community problems.

- (e) Diversity that fairly and equitably ensure gender, racial, and ethnicity considerations as well as lived-experiences reflecting different rates of educational attainment, economic prosperity, and social mobility.
- 3. <u>Manner of Acting</u>. The affirmative vote of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Endowment Board unless a different vote is required by applicable law, the Endowment's Articles of Incorporation or the Endowment's Bylaws. The amendment or modification of Article IV of the Endowment's Bylaws (Board of Directors) shall require a Supermajority Vote.

¹ Note to Draft: TBD if County needs to be added as a Party.

subcontractors to perform all, or any portion of, the Services that Seller engaged to perform such Services immediately before the Effective Date.

- (b) <u>Coordination; Personnel</u>. Novant shall provide Seller with any and all information and support on a timely basis as is reasonably necessary and requested by Seller to enable the performance by Seller of the Services pursuant to this Agreement. Novant further agrees to make available, or cause to be made available, to Seller, at Novant's sole cost and expense, and as reasonably requested by Seller from time to time, certain employees of Novant, or an Affiliate of Novant, who were employees of Seller immediately prior to the Effect Date, to provide support and assistance to Seller as may be reasonably necessary to enable Seller to perform the Services hereunder.
- (c) <u>Prepayment</u>. - Third-Party Products. Seller agrees to use commercially reasonable efforts (d) to license the Third-Party Products (as defined below) as specifically set forth in this Agreement as licensed software subject to (i) compliance with the terms and conditions on use as imposed by the licensors of such Third-Party Products; and (ii) compliance with the terms and conditions of this Agreement. Seller may apply amendments, corrections and updates to the Third-Party Products as made available to Seller from the third-party licensor, including new releases and versions of third-party Software, from time to time in Seller's reasonable discretion. Seller will pass through to Novant all additional fees or charges imposed by Third-Party Products' licensors with respect to additional functionality included in such updates, versions and new releases, and Novant shall be responsible for the prompt payment of all such amounts. Novant shall comply with all applicable Third-Party Product terms and conditions. If Seller determines that an agreement, amendment or consent relating to a Third-Party Product may be required in order for Seller to have all rights necessary to provide the Services as contemplated by this Agreement, then upon Seller's request, the Parties will meet and cooperate to identify solutions to the issue, which may include modifying this Agreement or the Services to eliminate any need for such agreement, amendment or consent. "Third-Party Products" means (x) those Software-as-a-Service applications and other technology products and services utilized in providing the Services, including, but not limited to, those applications, products and services set forth on Exhibit B, and (y) those Software or other technology products or services expressly licensed or provided to Seller that are owned, controlled or provided by a third party, including, but not limited to, those products and services that are set forth on Exhibit B.
- 1.3 <u>Additional Services</u>. If Novant reasonably determines that a service necessary for the operation of the Healthcare Businesses that Seller or a third party on behalf of Seller provided to the Healthcare Businesses immediately before the Closing was omitted from <u>Section 1.2</u>, then the Parties shall negotiate in good faith the terms and conditions upon which such services shall be added to this Agreement and upon the mutual agreement of the Parties such

additional agreed upon services added to this Agreement shall be treated as "Services," for all purposes hereunder.

1.4 <u>Communications</u>. Novant, on the one hand, and Seller, on the other hand, shall appoint certain individuals who shall serve as contact persons for purposes of communicating with the other and carrying out this Agreement, and who shall be authorized to act on behalf of such Party that appointed such person as to matters pertaining to this Agreement. Novant, on the one hand, and Seller, on the other hand, shall notify the other in writing as to the name, address and telephone number of any such person and any replacement for such designated coordinator.

ARTICLE II COMPENSATION FOR SERVICES

- 2.1 <u>Fees.</u> Novant shall pay Seller the amount of \$10 for the Services. Additionally, to the extent not paid directly to the applicable third party vendor, Novant shall pay Seller, in advance on a monthly basis, all fees and expenses under any third-party Contract pursuant to which Seller is providing the Services. Seller will invoice Novant monthly for such fees. Novant shall pay to, or on behalf of, Seller the amount set forth on each such invoice within 30 days after receipt by electronic transfer of immediately available funds in United States dollars to an account designated in writing by Seller. If Novant has any questions with respect to any invoice or otherwise disputes the amounts due, the Parties shall discuss and resolve the question or dispute as soon as possible.
- 2.2 <u>Additional Reimbursement</u>. In addition to the fees set forth in <u>Section 2.1</u>, Novant shall reimburse Seller for all of Seller's costs and expenses incurred in providing the Services hereunder. Seller will invoice Novant on a monthly basis for such costs and expenses, and Novant shall pay such costs and expenses to, or on behalf of, Seller in full within 30 days following receipt of each such invoice by electronic transfer of immediately available funds in United States dollars to an account designated in writing by Seller. Novant acknowledges that it is possible that Seller's costs in providing Services hereunder may change from the amount contemplated hereunder in the event that a third party increases its prices for Services it is providing that are necessary for the provision of Services hereunder, or a third-party licensor of software imposes additional license fees for software necessary for the provision of Services hereunder. In such event, such additional costs and fees will be payable by Novant pursuant to Section 2.1.

ARTICLE III TERM AND TERMINATION

3.1 <u>Term.</u> The term of this Agreement shall begin on the date hereof and shall remain in full force and effect, unless sooner terminated pursuant to <u>Section 3.2</u>, until December 31, 2022 (the "<u>Term</u>"); <u>provided, however,</u> that certain Services may sooner terminated by Novant pursuant to <u>Section 3.3</u>. In the event a Service does not set forth a separate term, such Service shall be provided for the Term and expire upon the expiration or earlier termination of this Agreement.

- 3.2 <u>Termination for Breach</u>. This Agreement may be terminated in part or in whole before expiration of the Term by either Party if the other Party breaches a material provision of this Agreement and fails to correct such breach within 30 days after receipt of written notice of such breach from the nonbreaching Party.
- 3.3 <u>Early Termination by Novant</u>. Novant may elect to terminate its right to receive any Service by providing not less than 30 days' prior written notice to Seller, which notice identifies the Services to be terminated. If Novant terminates its right to receive all of the Services, then such termination shall constitute the termination of this Agreement in its entirety.
- 3.4 Expenses and Compensation After Termination. Upon termination or expiration of any or all of the Services pursuant to this Agreement, or upon the termination or expiration of this Agreement in its entirety, Seller shall have no further obligation to provide the applicable terminated Services and Novant will have no obligation to pay any future compensation for such Services (other than for or in respect of Services already provided in accordance with the terms of this Agreement and received by Novant before such termination). Any invoice and related payment for any period of Service less than one month shall be calculated on a pro-rata basis.

ARTICLE IV INDEPENDENT CONTRACTOR

In providing the Services, Seller is acting as, and shall be considered, an independent contractor, and no relationship of partnership, joint venture, employment, franchise, agency or similar arrangement is being created pursuant to or by virtue of this Agreement.

ARTICLE V NO WARRANTY

Except as provided in <u>Section 1.2(b)</u>, Services will be provided by Seller "as is," with no warranties or representations of any kind whatsoever, express or implied, including those relating to merchantability, fitness for a particular purpose, noninfringement, title, performance or results, all of which are hereby expressly disclaimed.

ARTICLE VI CONFIDENTIALITY

Except as required by Law or judicial or like process, each of the Parties (the "Receiving Party") shall maintain all information disclosed to it under this Agreement by the other Party or the other Party's Affiliates (the "Disclosing Party") as confidential and shall not disclose such information to any third party (other than its Representatives who have a need to know and who shall be bound to similar obligations of confidentiality). Except as required by Law or the obligations of any Governmental Entity, if the Receiving Party is required to disclose any such information it shall give the Disclosing Party reasonable notice, to the extent permitted under applicable Law, so such Party may seek relief from such disclosure. The Disclosing Party shall have the right to seek equitable relief without the posting of a bond or other surety if there is a breach of this provision. Notwithstanding anything stated herein or otherwise to the contrary, the Receiving Party shall not be obligated to adhere to the restrictions in this Article VI with respect to information that (a) is made public by the Disclosing Party, (b) is already in the possession of

the Receiving Party and not subject to an existing agreement of confidence between the Parties; (c) is received from a third party which the Receiving Party believes is not in breach of a confidentiality obligation to the Disclosing Party or (d) is independently developed by the Receiving Party as evidenced by its records.

ARTICLE VII LIMITATION OF LIABILITY; INDEMNIFICATION

- 7.1 <u>Limits on Liability</u>. Notwithstanding anything herein to the contrary neither Party shall be liable to the other for any indirect, incidental, consequential, special, exemplary or punitive loss or damage.
- 7.2 <u>Indemnification</u>. Novant shall defend, indemnify and hold harmless Seller, Seller's Affiliates, and its and their respective directors, trustees, managers, officers, employees, agents and representatives from and against any and all losses, liabilities, claims and costs to which such indemnified party is subjected directly arising out of or attributed to (i) Sellers' performance or non-performance of any of the Services under this Agreement, (ii) Novant's material breach of this Agreement or (iii) any fraud, intentional misconduct or gross negligence on the part of Novant or any of its employees, agents or representatives.

ARTICLE VIII MISCELLANEOUS

- 8.1 <u>Binding Effect; Assignments</u>. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns, but neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any Party, whether by operation of Law or otherwise, without the prior written consent, which shall not unreasonably be withheld, of Seller and Novant and Novant Health, Inc. No assignment of this Agreement shall relieve any such assignor of its obligations hereunder.
- 8.2 <u>Books and Records</u>. Each Party shall maintain a complete and accurate set of files, books and records of all business activities and operations conducted by such Party related to the Services provided under the terms of this Agreement, as well as any correspondence related to compliance with any applicable federal, state and local Laws.
- 8.3 No Authority to Bind Other Party. It is understood and agreed that in no event shall Seller have any authority to negotiate or enter into any contract or commitment for or on behalf of, or in the name of, Novant or any of its Affiliates, or otherwise possess any authority to bind Novant or any of its Affiliates in matters of contract, indebtedness or otherwise, without the prior written approval in each instance of Novant and Novant Health, Inc. It is further understood and agreed that Seller shall not represent itself as having any such authority.
- 8.4 <u>Notices</u>. Any notice, demand or communication required, permitted or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by email, one Business Day after being deposited with a nationally or internationally recognized overnight courier or five calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

8.5 <u>Governing Law; Disputes.</u> This Agreement shall be governed by and construed and enforced in accordance with the Laws of the State of North Carolina as applied to contracts made and performed within the State of North Carolina without application of any conflicts-of-

law principles. Any dispute under this Agreement shall be governed by Section 12.3 of the Purchase Agreement.

8.6 Force Majeure.

- (a) In the event a Force Majeure Event causes any cessation or interruption of the Party's performance hereunder (or any portion thereof), upon written notification to the other Party, performance by such Party shall be temporarily excused for the period of the disability, without liability. In the event that the affected Party is excused from performing hereunder (or any portion thereof) in accordance with the terms of this Section 8.6, such Party shall use its commercially reasonable efforts to promptly resume the performance of its obligations hereunder, and, during such excused period, the provisions of this Agreement shall be suspended and the period of suspension shall be added to the Term.
- (b) If Seller is excused from providing Services in accordance with the terms of this <u>Section 8.6</u>, Novant shall not be liable for further payment for such excused Services during such period of interruption and shall be free to acquire such Services from any substitute source, at Novant's expense, and without liability to Seller.
- (c) The provisions of this <u>Section 8.6</u> shall not be available to either Party if such Party fails to use reasonable diligence to remedy the situation and to remove the cause of the Force Majeure Event in an adequate manner with reasonable dispatch and at reasonable cost.

8.7 Construction.

- (a) <u>Drafting</u>. The Parties have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.
- (b) <u>Section Headings; Gender and Number</u>. The section headings inserted in this Agreement are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement. All references in this Agreement to any "Section" are to the corresponding Section of this Agreement unless otherwise specified. Any reference in this Agreement to gender shall include all genders, and words imparting the singular number only shall include the plural and vice versa.
- (c) <u>Entire Agreement</u>. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior written or oral understandings or agreements, except for the Purchase Agreement. For the avoidance of doubt, in the case of conflict between the Purchase Agreement and this Agreement, the Purchase Agreement shall control.
- (d) <u>Severability</u>. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any applicable Law or public policy, all other terms or provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereunder is not affected in any

manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereunder are consummated as originally contemplated to the greatest extent possible.

- (e) <u>Including</u>. The word "including" or any variation thereof means (unless the context of its usage requires otherwise) "including, but not limited to," and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it.
- 8.8 Amendment; Waiver. This Agreement can be amended, supplemented, changed, waived, discharged, modified or terminated only by a writing signed by each of the Parties and Novant Health, Inc. No action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other preceding or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
- 8.9 <u>Compliance</u>. Each party shall comply with all applicable Laws in connection with this Agreement.
- 8.10 <u>Survivability</u>. The parties' rights and obligations under <u>Section 3.4</u> and <u>Articles VI, VII</u> and <u>VIII</u> of this Agreement shall survive the termination of this Agreement.
- 8.11 <u>Counterparts; Facsimiles</u>. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.
- 8.12 <u>Third-Party Beneficiary</u>. Except to the extent expressly stated otherwise herein, nothing in this Agreement is intended to confer upon any Person other than the Parties and their respective successors and assigns any rights, benefits or obligations hereunder.
