

Data, Study, and Evaluation Committee
Friday, September at 10am

AGENDA

Learning from Education Longitudinal Data Study

Joining us today: Trip Stallings - Executive Director, NC Longitudinal Data System; Geoff Coltrane - Senior Education Advisor, Office of NC Governor Roy Cooper

Discussion questions for group – but please come with others!:

- What is the education longitudinal data study? What are the goals on the effort?
- What type of data is collected and how is it used?
- What are the core functions on those working on an educational longitudinal data study?
- How should one approach getting started on a system wide data project such as this? Which actors or organizations need to be at the table?
- What kind of staff resources are needed to realize such an effort? Where should the main staff of the effort be housed?
